

The Coming “New World Order”

Is There STILL Someone Who Doesn’t Believe it?

Lorraine Day, M.D.

“Like the legendary Vampire Dracula lays claim to his victims, the Globalist slowly drains the essence of life and liberty from our Land. While it may be surprising to some, we will begin this overview of the U.S. treason and debauchery with George Herbert Walker Bush, a long time and high-level proponent of world conquest.

“**GEORGE HERBERT WALKER BUSH**, former president of the U.S., Council on Foreign Relations (CFR) Director, Trilateralist, CIA Director. Bush, one moonlit night in 1948 at Yale University, crawled naked into a coffin. With 15 brother ‘Bonesmen’ (as they call one another) encircling him, he told personal tales of debauchery, took an occult oath, was raised from the coffin (what THEY call being ‘born-again’) as a MAN-GOD, jumped into a pile of mud, thus joining the occult, elitist Skull & Bones Society. He, indeed, is still a ‘Boner’ today.” Retired Police Officer Jack McLamb, *Operation Vampire Killer 2000*, p 9.

As Republican President, Bush spoke before Congress in 1990, delivering a speech which he entitled ‘Toward a New World Order’. The date in 1990 on which he delivered this speech, which was the **first time** a U.S. president had spoken **publicly** of the coming New World Order, was NO coincidence. It was September 11 - the infamous 9/11 - a date and event that would, eleven years later in 2001, be used by the New World Order – the Zionist Jewish elitists/Illuminati - to steal by fraud, Americans’ God-given and Constitutional rights.

“Addressing the subject of his Gulf War, he made his first public utterance of his, and his rich cronies’ plans for a world imperialism in stating that the war against Iraq was ‘...**a rare opportunity to move toward an historic period of cooperation. Out of these troubled times...a New World Order can emerge.**’” *ibid.*

In the same year, 1990, Senator Joseph R. Biden, Jr. (D) from Delaware, addressed the U.S. Senate. His speech was entitled “**On the Threshold of the New World Order.**”

Because of his total commitment to his handlers in the New World Order, Biden was made Chairman of the Senate Foreign Relations committee, a position that is only available to those who are willing to “sell their soul to the company store.”

This New World Order plan does not pit the Republicans against the Democrats. Not at all. The Republicans versus the Democrats is a sham performance to deceive the public into believing that THEY – the people - have a voice in their government. The truth is that both parties are owned by the same Globalist/elitist/Jewish/Illuminati crowd, and those Senators and Congressmen chosen to be part of the “in-group” – the ones who are willing to sell their country down the river for financial greed - are totally beholden to their masters. Their party affiliation makes NO difference, whatsoever. This Satanic Plan is truly Bi-Partisan!

Well over forty years ago, on January 10, 1963, the “Current Communist Goals” were read into the Congressional Record by then-Congressman A. S. Herlong, Jr. of Florida, to warn the public that the Communists were planning to take over our government silently and surreptitiously. They were working from behind the scenes in the shadows, taking over by stealth and infiltration to control the visible leaders of the U.S. government. This cabal is a deceptive, illegal, unelected INVISIBLE “government” that completely controls the VISIBLE elected government!

These “Current Communist Goals” - forty-five goals in all - were excerpted from a book entitled “*The Naked Communist*” written by Cleon Skousen, a former FBI agent who had infiltrated the Communist ranks and learned of their diabolic plans. Number 11 of these forty-five Goals is the following:

“11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a One World Government with its own independent armed forces.”

That was almost **FIFTY YEARS** ago.

We can also go back **Four Hundred Years**, when John Dee, the original “007” on whom the James Bond movies are based, and who was the head of security for Queen Elizabeth I, convinced the Queen that the Jews (of which John Dee was one) and the British monarchy could together take over the world. Thus was born the Imperialism of Great Britain and the intermarriage of the Jews with the monarchies of Europe.

Freemasonry, the Ordo Templi Orientis (O.T.O. = Order of Oriental Templars) the Illuminati, and virtually ALL other Secret Societies, of which there are many, are offspring of this Plan to rule the World that really began with Nimrod’s building of the Tower of Babel after the flood. Because Nimrod did not trust God’s “Rainbow” Promise that the world would never again be destroyed by water, he rallied his followers into building a tower that would “reach to the heavens” so they could **protect themselves** – rather than depending on God for protection - if another world-wide flood occurred.

In reality, the rebellious Plan for a One World Government goes all the way back to the Garden of Eden when Satan, the serpent, tempted Eve saying, “If you eat of this (forbidden) tree. . . your eyes shall be opened and **YOU shall be as God**, , ,” Genesis 3:1-5

The Plan has not changed since Satan successfully tempted Adam and Eve 6,000 years ago. It is man's desire to run his OWN life – apart from God. It is man's desire to BE his OWN god!

The CFR/Trilateral/New World Order Connection

The Council on Foreign Relations (CFR), the Trilateral Commission and the Bilderbergers are just three working groups of the New World Order, each of which has a special job to accomplish – including control of the world's trade by these elitists, control of the production of goods of the world, control of every country's natural resources, control of the world's population – namely by killing 5 1/2 BILLION people within a few decades. Their goal is to reduce the population of the world from its present 6 billion down to 500 million – to “preserve the planet” - - - for THEIR TOTAL OWNERSHIP!

The Council on Foreign Relations is composed of the “leaders” of America – the “movers and shakers” - who are willing to become traitors to America by promoting this monstrously evil plan. They include some hand-picked Senators and Congressmen, some “chosen” college and University Presidents, pliable and controllable Military leaders, heads of major media including key newspaper editors, television network CEOs, news magazine owners, publishers and editors, business and industry leaders, and others in positions of national importance.

The U.S. Government and virtually ALL governments of the world, are “owned” and run from behind the scenes by the Multi-national corporations, Internationalists who have NO allegiance or loyalty to ANY nation. The goal of these super-rich Bankers and Industrialists is to have unlimited trade world-wide, with no borders, so THEY can control the production of ALL goods and all the natural resources of EVERY country in the world.

Who are the “Players” in this One World Government?

There are a number of organizations that comprise the INVISIBLE Government, the “Government” that runs America – and the world – from behind the scenes.

The Council on Foreign Relations (CFR)

The CFR was founded on July 29, 1921, in New York City by Col. Edward Mandell House (real name: Haus – Jewish), chief adviser to President Woodrow Wilson, in league with stockholders of the Federal Reserve Bank. A communist, Haus was part of a conspiracy to gain control of both U.S. political parties to use them as instruments in the creation of a communist world government.

The roster of the almost 3,000 CFR members reads like a “who’s who” of the elite politicians, media, financiers, businessmen, military and educators. Their covert plan is to “manage the international economy, global poverty, environment and the new ‘common’ - - the oceans, the seabeds, space, interstate violence, including arms control. They will manage the money, the land, the food, and the guns - - of everyone in the world!

Seventy-three percent of the members of the Council on Foreign Relations are Jewish.

If one group is in control of national governments and multinational corporations, promotes world government through control of the media, foundation grants, and education, and controls and guides the issues of the day, then they control most options available – for everyone! The Council on Foreign Relations and the financial powers behind it, have done all these things. For over seventy years, they have promoted the “New World Order.”

As the promotional arm of the Ruling Elite in the United States of America, the CFR includes most influential politicians, academics and media personalities in America as members. It uses its influence to infiltrate the New World Order into American life. CFR “experts” write scholarly pieces to be used in decision-making, the academics expound on the wisdom of a united world, and the media members disseminate the message.

Part of the plan of the New World Order is to eliminate Christianity, which is also a goal of the CFR. In order to accomplish that goal, they plan to infiltrate and co-opt the major Christian denominations in the U.S. and the world. Recently two “theologians” were added to the ranks of the CFR, namely Rick Warren, evangelical pastor of the Saddleback Church in Southern California and author of “*The Purpose Driven Life*” and Richard Land, President of the Southern Baptist Convention. These two men represent millions of Christians who will be deceived by their leaders into signing on with the New World Order.

Bilderberg

The Bilderberg Group was named after the Bilderberg Hotel in Holland where their first meeting was held in 1954. They coercively manipulate global finances and establish rigid and binding monetary rates around the world. They determine who will become presidents and rulers, and remove from power those they dislike. Their agenda is to enrich their members at the expense of the human rights of the people, they promote and condone environmental degradation worldwide solely for profit, and they remove all traces of national sovereignty from every nation, and create a One World Government.

The Bilderberg Group controls the International Monetary Fund (IMF), the World Bank, the UN, and all the European Central Banks. Every prominent European commissioner has at one time or another attended a Bilderberg meeting. Every NATO general secretary is a Bilderberger.

The Bilderberg Group is, in fact, a foreign policy arm of an all-powerful and completely unknown group called "The Committee of 300" whose ancestors were the British East Indian Tea Company, whose main line of work didn't have anything to do with selling tea but rather with moving illegal drugs.

In fact, the entire world drug trade is controlled by the most powerful men (and a few women – including the Queen of England) in the world. All of them belong to the Committee of 300. A rough estimate of the annual drug profit margins runs between \$500-\$700 billion U.S. dollars. Most of this dirty money is recycled through all the major stock markets, and then pocketed as a "legitimate" profit.

The Club of Rome

The Club of Rome is a conspiratorial umbrella organization promoting the One World Government, a marriage between Anglo-American financiers and the old Black (secret) Nobility families of Europe, particularly the so-called "nobility" of London (Queen Elizabeth, Prince Philip and Prince Charles), Venice and Genoa. The key to the successful control of the world is their ability to create and manage savage economic recessions and eventual depressions. The Committee of 300, the richest families in the world, looks to social convulsions on a global scale – followed by depressions, to decimate the economy of all nations, to keep Third World countries in abject poverty and to turn First World countries, such as the U.S., into Third World countries.

Organized in 1968 by the Morgenthau Group (Jewish), the Club of Rome's purpose is to accelerate the plans for all nations to be combined in a One World Government, and to eliminate the vast majority of the world's 6 billion people by abortion, infanticide, diseases and wars.

They have developed a plan to divide the entire world into ten areas called "Kingdoms" to be ruled by an **appointed**, NOT elected, governor, under the direction of the United Nations.

Trilateral Commission

The Trilateral Commission was founded in 1973 by David Rockefeller (Jew), Henry Kissinger (Jew), Zbigniew Brzezinski (Jew) and other leaders of the Council on Foreign Relations and the Bilderberg Group. The Trilateral Commission is a non-governmental organization composed of 350 representatives of Japan, the European Union Countries, and North America (United States, Canada and Mexico – what will soon be known as the "North American Community").

According to the late Senator Barry Goldwater, the Trilateral Commission is a "vehicle for multinational consolidation of commercial and banking interests into the hands of the One World Government. Even though it has a website on the internet and appears open and obvious, it is a part of the clandestine One World Government's plan to rule the world.

David Rockefeller sneers at those who say the Trilateral Commission is part of a grand conspiracy to take over the whole world, but he has stated in speeches to Congress that the average citizen of the U.S., or any country, does not have the brains or ability to make the proper decisions about anything, including their own life, therefore the elite, like Rockefeller and his friends, have the right and the obligation to run the world and everyone in it.

These groups have interlocking memberships, but each group has their own special job to do. Most of these organizations are unknown to the average citizen, yet their decisions RULE almost every aspect of the life of every person on the planet.

The United Nations, including the World Health Organization

The vehicle through which these various organizations described above will rule the world is the United Nations. It too has a VISIBLE government that is the façade for the people but it is ruled from behind the scenes by these various organizations, **all of which are ultimately controlled by the Jews.**

It is no secret that the United Nations has voted to censure Israel almost a hundred times for their treatment of the Palestinians, and other despicable acts. But it is also well known that those UN censures have made NO difference in Israel's basic plan to annihilate all Arabs, including all Palestinians.

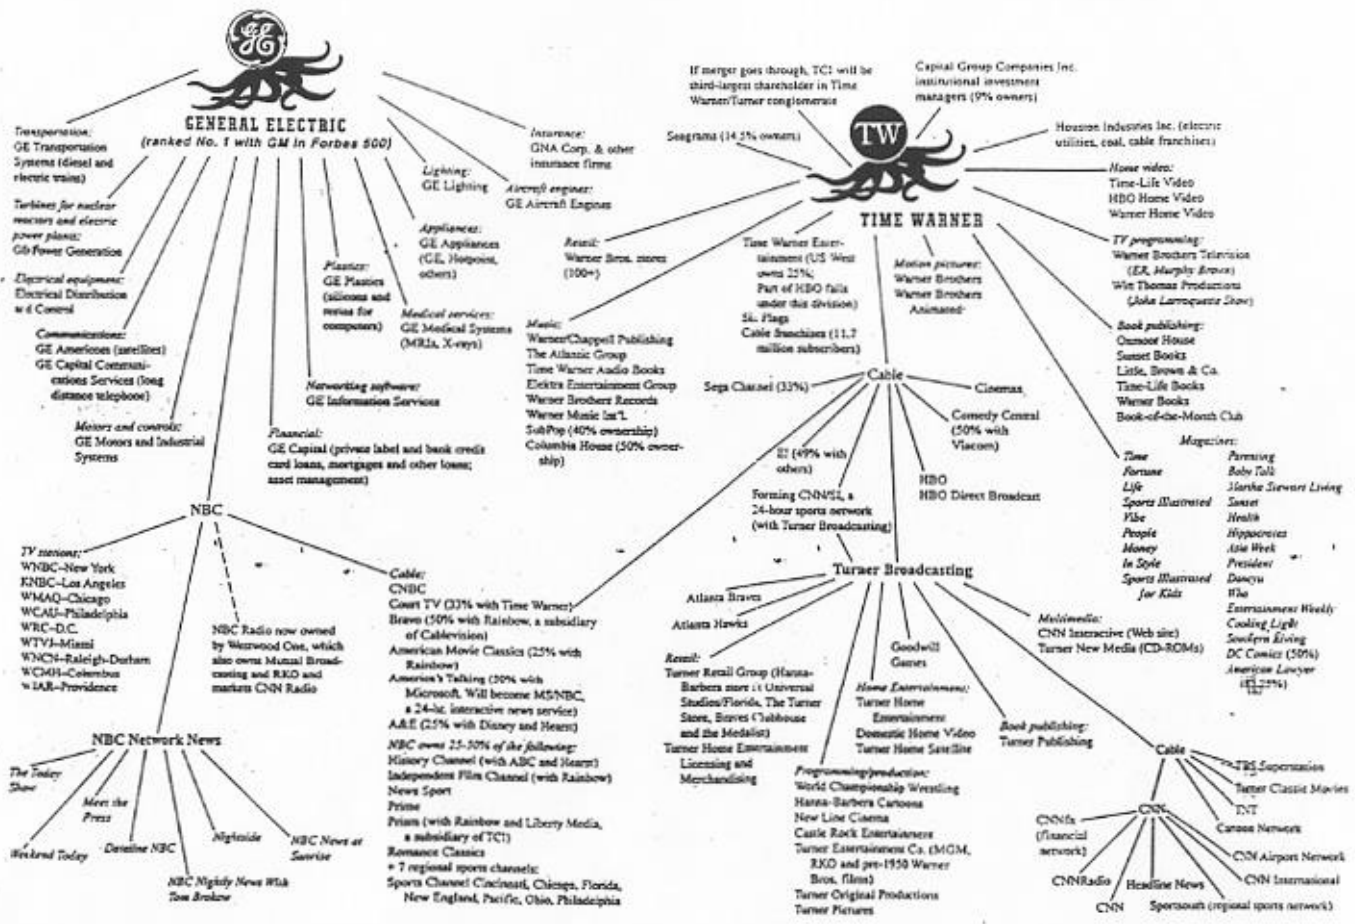

The Rise of Corporations

Of the 100 largest economies in the world, 51 are corporations while only 49 are countries. Large transnational corporations are becoming increasingly powerful. As profits are naturally the most important goal, damaging results can arise, such as violation of human rights, lobbying for and participating in manipulated international agreements, environmental damage, child labor, driving towards cheaper and cheaper labor, including actual slave labor – exploitative practices that they continue to get away with because of their immense power and wealth.

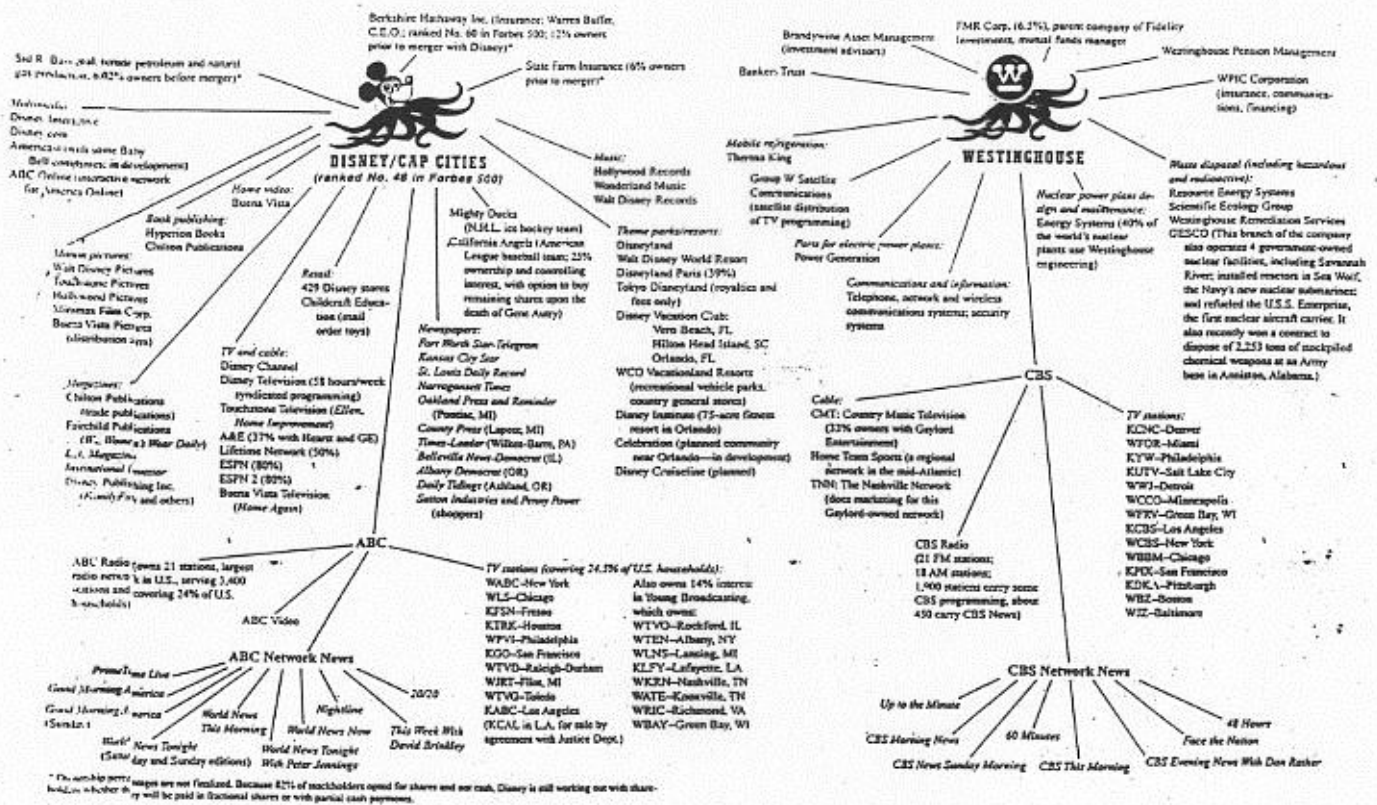

Corporations foul the environment, then blame it on the people. Corporations evade taxes, exploit child labor, deny and destroy worker's rights and claim to be improving the lives of those they are destroying.

Multinational corporations are forming their own safe havens, guarded by their own private armies. They are fomenting religious wars around the globe to keep the rest of us too busy to notice what they are doing. They are pressing the young men and women of America, the UK and other countries into "serving" in the military while at the same time refusing to protect them with the proper equipment while they fight, or the proper medical care when they are injured.

In America, the multinational corporations are destroying small businesses and family businesses. BIG stores, such as Wal-mart, K mart, and Target, move into an area, undersell all the established businesses and drive them into bankruptcy. They are destroying America in every way, yet Americans buy from them daily.

4 Corporations Own The World!

World and National Leaders Point the Way

The following are statements from those in positions of power over the last few generations who have been recognized, and often been complicit in, the One World conspiracy.

Benjamin Disraeli, a Jew, and Prime Minister of England, was attributed with this statement in 1844: "The world is governed by very different personages from what is imagined by those who are not behind the scenes."

Winston Churchill, a Jew, and Prime Minister of England, stated to the London press in 1922: "From the days of (Jew) Spartacus (Adam) Wischophf, (Jew) Karl Marx, (Jew) Leon Trotsky, (Jew) Belacoon, (Jew) Rosa Lusenberg, and (Jew) Ema Goldman, this world conspiracy has been steadily growing. This conspiracy played a definite recognizable role in the tragedy of the French revolution. It has been the mainspring of every subversive movement during the 19th century. And now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their head and have become the undisputed masters of that enormous empire."

Justice Felix Frankfurter, a Jew, and U.S. Supreme Court Justice: “The real rulers in Washington are INVISIBLE and **exercise power from behind the scenes.**”

John E. Hylan, a Jew, Mayor of New York 1918 – 1925, said “The real menace of our Republic is the INVISIBLE government which like a giant octopus sprawls its slimy legs over our cities, states and nation.”

Franklin D. Roosevelt (real name - Rosenveldt) a Jew, U.S. President, in a letter written Nov. 21, 1933 to Colonel E Mandell House (real name - Haus) a Jew, Roosevelt states: “The real truth of the matter is, as you and I know, that a financial element in the large centers has owned the government of the U.S. since the days of Andrew Jackson.” (History points to the last truly honorable and incorruptible American president as Andrew Jackson “Old Hickory”.)

Rowan Gaither, President of the Ford Foundation (either Jewish or certainly under control of the Jews), in 1954 lends proof to what we know to be fact today, namely that many of our Presidents have been a knowing part of this World Conquest plot. Mr. Gaither stated to Congressional Reese Commission investigator Norman Dodd: “We operate here under directives that emulate from the White House. . . The substance of the directives under which we operate is that we shall use our grant making power to alter life in the United States so that we can comfortably be merged with the Soviet Union.” (Dwight Eisenhower, a Jew, was President of the United States at the time.)

Carroll Quigley, Professor of History at Georgetown University, member of the CFR (one of the U.S. organizations dedicated to World Government) and mentor to former U.S. President Bill Clinton, a Jew, as is his wife Hillary Rodham Clinton (“Rodham” purportedly was changed from Roditski or Radetsky), stated in his book “Tragedy and Hope”: “The Council on Foreign Relations (CFR) is the American Branch of a society that originated in England. . . (and). . . believes national boundaries should be obliterated and one-world rule established.’

Peter Hoagland, Nebraska State Senator and Humanist, speaking on radio in 1983 with the great American Pastor and Patriot Everett Sileven said: “Fundamental, Bible-believing people do not have the right to indoctrinate their children in their religious beliefs because we, the state, are preparing them for the year 2000, when America will be part of a one-world global society and their children will not fit in.”

Barry Goldwater, a Jew, and U.S. Senator (Arizona) in his book “WITH NO APOLOGIES”, state this about another Globalist group: “The Trilateral Commission is international. . . (and). . . is intended to be the vehicle for multinational consolidation of the commercial and banking interests by seizing control of the political government of the United States. The Trilateral Commission represents a skillful, coordinated effort to seize control and consolidate the four centers of power – POLITICAL, MONETARY, INTELLECTUAL, and ECCLESIASTICAL.”

The United Nations is to be the Vehicle for World Government

George H.W. Bush, U.S. President “It is the SACRED principles enshrined in the UN Charter to which we will henceforth pledge our allegiance.” UN Building, February 1, 1992

Walt Rustow, Council on Foreign Relations member and UN spokesman: “It is in the American interest to put an end to Nationhood.”

Zbigniew Brzezinski, Jew, National Security Advisor to President Jimmy Carter and advisor to 4 other presidents, Exec. Dir. Of Trilateral Comm., Marxist (Communist) and proud of it! Here he speaks about what a New World Order will be like: “The technetronic era involves the gradual appearance of a more controlled society. Such a society would be dominated by an elite, unrestrained by traditional values. Soon it will be possible to assert almost continuous surveillance over every citizen and maintain up-to-date complete files containing even the most personal information about the citizen. These files will be subject to instantaneous retrieval by the authorities.” *Between Two Ages*, Z. Brzezinski

Dr. Kurk E. Koch, Professor, Lectured at 100 Universities in 65 countries on 5 continents, Subjects of expertise: **New World Order**, Occultism, Extreme Movements, Parapsychology. His assessment of the coming NWO under the **United Nations** is that it will reduce everything to one common denominator:

“The system will be made up of a **single currency, single centrally financed government, single tax system, single language, single political system, single world court of justice, single head (one individual leader), a single state religion.**”

He further states: “Each person will have a registered number, without which **he will not be allowed to buy or sell**: and there will be **one universal world church. Anyone who refuses to take part in this universal system will have no right to exist.**”

This is the definition of the New World Order – One World Government.

THIS is the definition of Communism!

And it is the fulfillment of Prophecy in Revelation, Chapter 13, in the Bible.

“And the WHOLE WORLD followed after the beast. And they worshiped the dragon (Satan) that gave authority to the beast: **and they worshipped the beast.** . .and he opened his mouth in blasphemy against God. . . And it was given unto him to **make war against the saints; and to overcome them**: and authority was given him over **ALL kindreds and languages, and nations.** And all that dwell upon the earth shall worship him. . .” Revelation 13:3-8

“**And he had power to cause as many as would not worship the image of the beast should be killed.** And he causes all, both small and great, rich and poor, free

and slave, to receive a mark in their right hand, or in their foreheads: **and that no man might buy or sell**, except he that had the mark or the name of the beast, or the number of his name.” Revelation 13:15-17

Federal Reserve Bank -This One World Government will Control the Money Supply of EVERY Nation on Earth through the Federal Reserve Bank

The Federal Reserve Bank is NOT “Federal” – it is PRIVATELY OWNED, and it has NO Reserves. It is a private corporation owned by the international and Wall Street Bankers who, through legislative deceit and treachery, have stolen the entire money supply of America, and virtually all other countries.

The Rothschilds (Jewish) (Mayer Amschel Bauer – Alias, Rothschild) the Godfather of the Rothschild Banking Cartel of Europe stated, “Give me control of a nation’s money and I care not who makes the laws.”

Lewis McFadden, U.S. Congressman, said this about those same international financial conspirators, the international bankers, during the very time they were taking over the monetary control of America: “We have in this country one of the most corrupt institutions the world has ever known. I refer to the Federal Reserve Board and the Federal Reserve Banks, hereinafter called the FED. They are NOT government institutions. They are private monopolies which prey upon the people of these United States for the benefit of themselves and their foreign customers. . .”

American Mercury Magazine, December 1957, pg 92. “The INVISIBLE Money Power is working to control and enslave mankind. It financed Communism, Fascism, Marxism, Zionism and Socialism. All of these are directed to making the United States a member of a World Government. . .”

But Isn’t Communism DEAD?

NO!

The supposed “Fall” of Communism was a HOAX perpetrated on the American people and the people of the world to deceive them into thinking that Communism is dead.

Vladimir Lenin, Jew: “It would be the greatest mistake, certainly, to think that concessions mean PEACE. Nothing of the kind. Concessions are nothing but a new form of war.”

Dmitri Manualisky, Probable Jew, Soviet Diplomat (1947) revealed the Communists’ intention to brainwash the American public: “ We will offer the Christian world unheard of peace overtures, and these nations, stupid and decadent, will leap at the chance to

be our friends; they will willingly cooperate in their own destruction. Then, when their guard is down, and they have gone to sleep, we will smash them with our clenched fist.”

Mikhail Gorbachev's speech at the 70th anniversary of the Bolshevik Revolution: “...In October 1917, we parted with the old world, rejecting it once and for all. We are moving toward a New World, a World of Communism. We shall NEVER turn off that road.”

And from his speech to the Soviet Politburo, November 1987:

“Gentlemen, comrades, do not be concerned about all you hear about Glasnost and Perestroika and democracy in the coming years. These are primarily for outward consumption. There will be no significant internal changes in the Soviet Union, other than for cosmetic purposes. Our purpose is to disarm the Americans and let them fall asleep.”

Mikhail Gorbachev has been living in San Francisco where he has been working hand in hand with the New World Order cabal. One of his jobs has been to convert a number of the recently closed U.S. military bases into Concentration Camps for those of us who will refuse to go along with the plans of the New World Order.

So if Communism is NOT Dead, Where is it?

It is Alive and “Well” and RUNNING the U.S. Government - and virtually every other government of the world.

The following are the Ten Planks of the Communist Manifesto.

(These Ten Planks are the hallmark of a Communist Government. You will see that ALL but ONE have been completely implemented in the U.S. Government. And that ONE remaining “plank” is soon to be completed.)

1. Graduated Income Tax - Established in America in 1913.
2. Rights of inheritance government controlled – the U.S. government Inheritance Tax
3. Central Bank – the U.S. Federal Reserve Bank
4. Government ownership or control of communications and transportation -FCC and Department of Transportation
5. Government ownership or control of factories and agriculture – through the Interstate Commerce Commission and the Environmental Protection Agency and U.S. Department of Agriculture
6. Government control of labor – U.S. Department of Labor

7. Corporate farms and regional planning – U.S. control of factory farming – Three large corporations own virtually ALL the farmland and production facilities in the U.S.

Regional governments are being appointed (NOT elected) and have significant power and control, but are not beholden to the voters.

8. Federal Government control of education – U.S. Department of Education – with National achievement tests and Federal government control of curriculum. This was NEVER to be the case in the U.S.A. It is unconstitutional.

9. Confiscation of property of rebels – the local police departments are confiscating property if marijuana is found being grown on the property, they are confiscating and selling cars of those stopped for highway infractions, they are confiscating the property of those who disagree with the government on the war, or income tax.

10. Abolition of private property – For years, the government has had the doctrine of eminent domain through which they can condemn your property for a freeway or other public road. Now they have extended this eminent domain to include the confiscation of your property if your city wants to build a hotel or other building on your property to increase their tax revenue.

They can also abolish private property just by raising your taxes higher than you can pay. They then confiscate your property for non-payment of property tax.

The U.S. Government is NO LONGER run by the U.S. Constitution. If it were, NONE of these things could have taken place.

The U.S. Government IS a COMMUNIST Government!

And yet Americans are SO deceived, they think they are FREE! And they think they live in a FREE country!

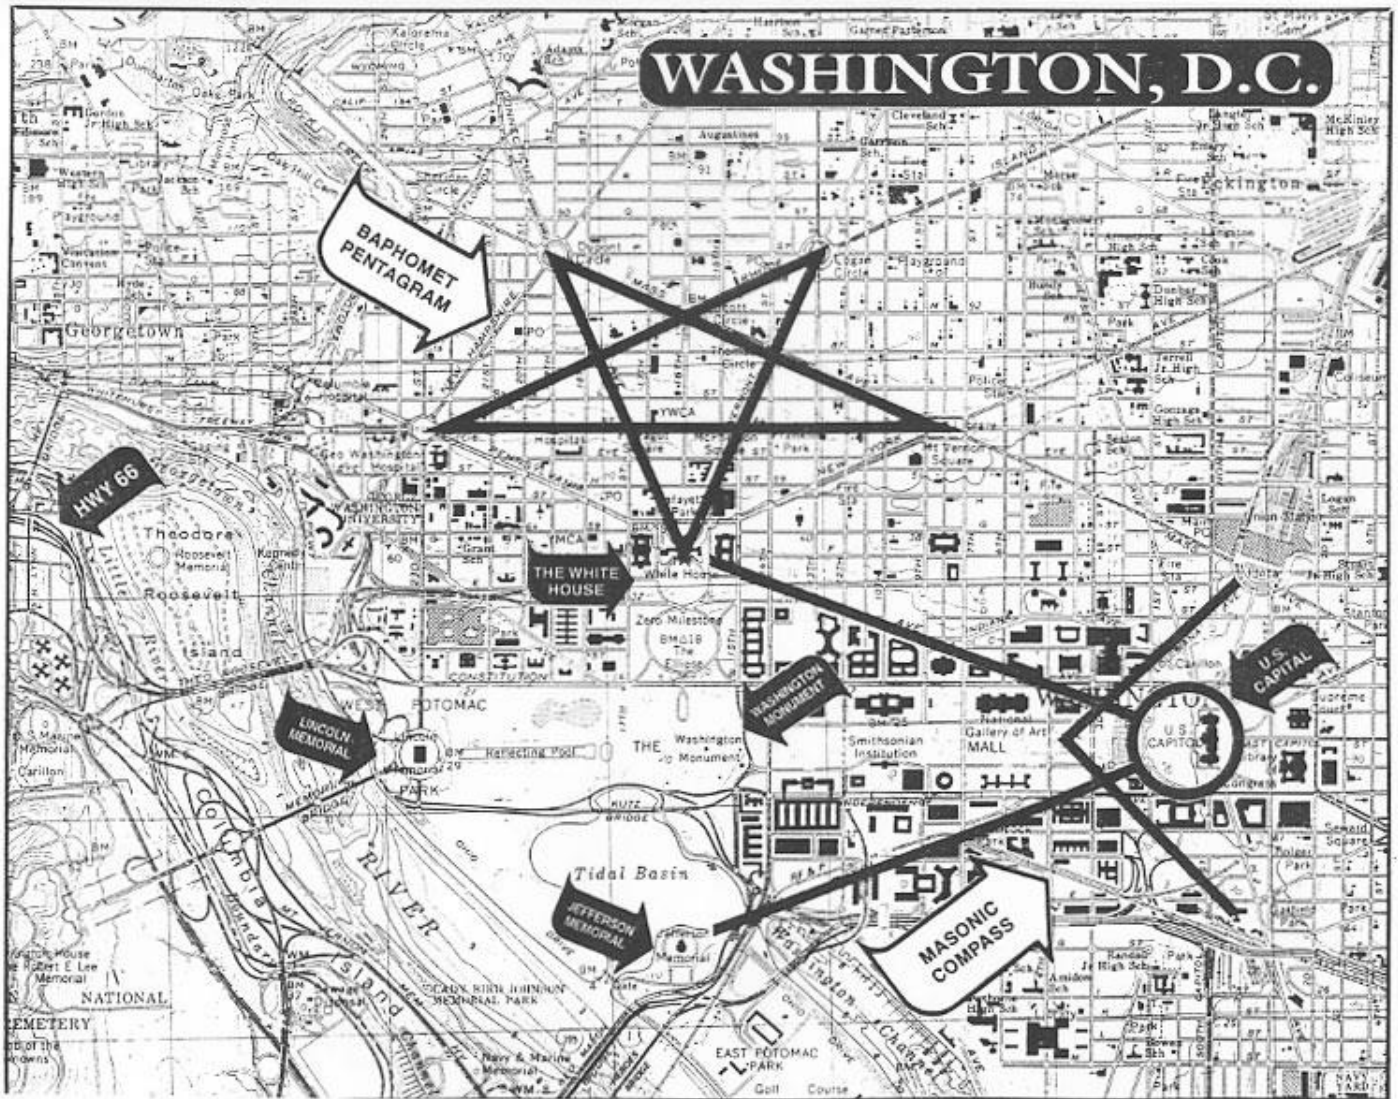

Norman Thomas, for many years the U.S. Socialist (Communist) Presidential candidate proclaimed: “The American people will never knowingly adopt Socialism (Communism). But under the name of ‘liberalism’ they will adopt every fragment of the Socialist (Communist) program, until one day America will be a Socialist (Communist) nation, without knowing how it happened.”

Norman Thomas’ “prophecy” has ALREADY come true.

But America is a Christian Nation, Isn’t it?

There were many Christians who came to America looking for Religious Freedom. But the Zionist/Jewish/Illuminati elitists arrived at the same time. On May 1 (Communist May Day) of 1776, the Illuminati arrived in America, BEFORE we “received” our Independence on July 4, 1776.

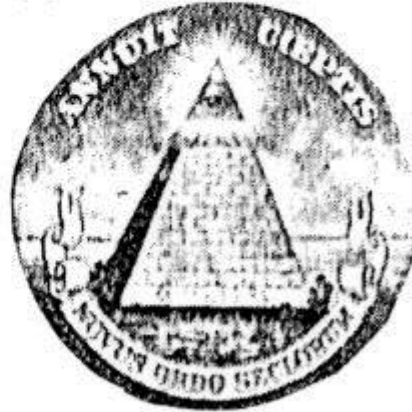

Proof that the Illuminati/Jewish/Zionist/Freemasons were here when our country was founded is the fact that our Capitol, Washington D.C., was clearly designed by the Freemasons and the occultists. As you will see on the map below, the streets and important buildings in Washington D.C. are laid out to form a Satanic Pentagram as well as the compass and square of Freemasonry.

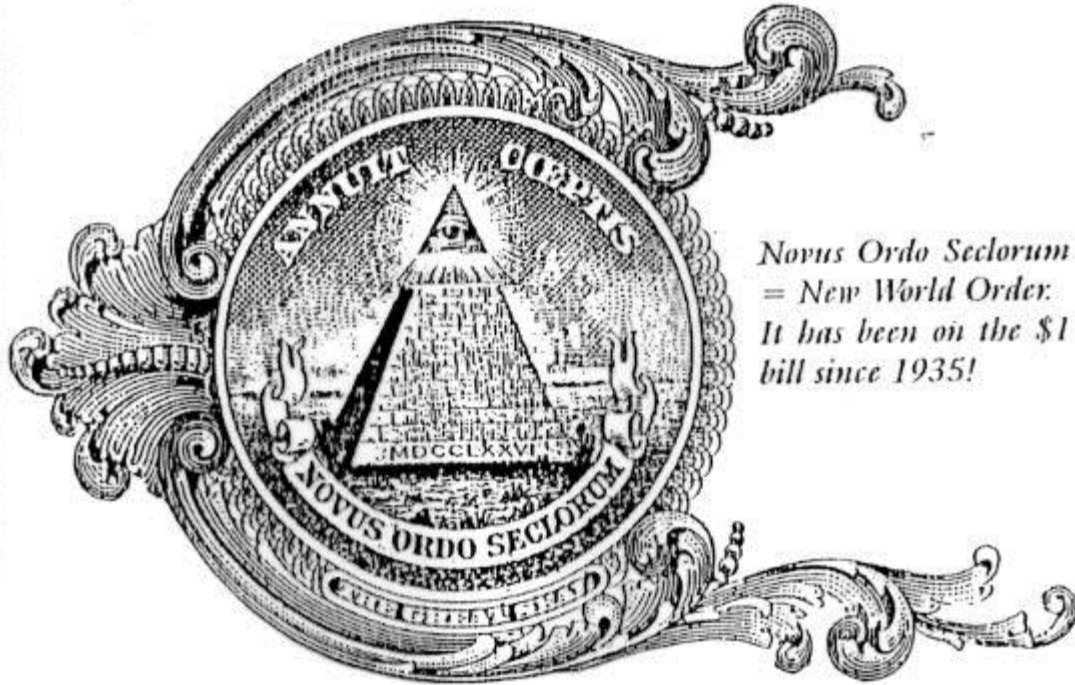

Occult symbolism is all over our One Dollar Bill as shown below.

*Novus Ordo Seclorum
= New World Order.
It has been on the \$1
bill since 1935!*

The number of the Beast power that will rule the world, according to Revelation, Chapter 13, has the number of 666. That same number, 666, is also found hidden in the seal or logo for the Federal Reserve System.

FEDERAL RESERVE

The Board of Governors of the Federal Reserve System (a private corporation of the leading families of the Papal-Zionist New World Order) cleverly built 666 into this seal or logo. Notice the two rows of six stars in each row and the six bars on the shield. This makes 666. This private corporation has hijacked America's money system, bringing it to bankruptcy and very soon economic collapse.

The logo for the Trilateral Commission, an organization of the New World Order, is a modified 666. This is the same logo for Recycling.

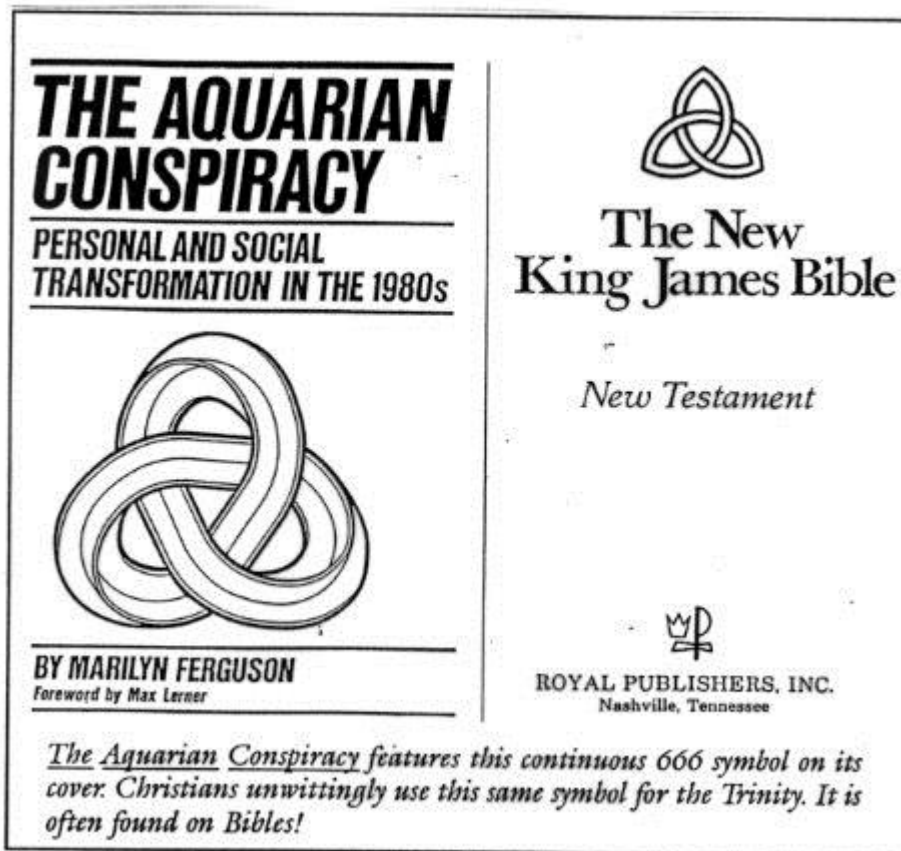

TRILATERAL COMMISSION

The logo for the Trilateral Commission (Zionist entity of the New World Order) contains a 666. Each arrow when separated from the logo is a 6, making 666. David Rockefeller created this organization, based in the United States, to soften America to the New World Order. Commission members include senators, congressmen, President Clinton and many members of his cabinet. Other presidents have also been members.

A stylized version of this modified 666 is found, not surprisingly, on the New Age book entitled "The Aquarian Conspiracy."

But it IS shocking to see the same occult logo on the New King James Bible.

When Did the Title “United Kingdom” Become Widely Used as a Name for Great Britain? Is There a Special Reason?

Supposedly this name came into being when the British monarch became the king over Scotland as well as Britain. The two together became the “United Kingdom.” But the implications of this name are much greater for this era.

The Ten Kingdoms of the World

The European Union and the soon-to-be **North American Union** (it will be in place by 2010) are the first **TWO KINGDOMS** of the **New World Order**, as shown on the map below which was originally produced in 1974 by the Club of Rome, one of the New World Order (NWO) organizations designated by the elitists/international bankers/multinational corporations to bring about a One World Government – **through** the United Nations.

All of the other “Kingdoms” are also being put in place, and will be completed within a few short years.

The goal of the NWO is the **elimination** of **ALL national governments** and **ALL religions (especially Christianity)** except the religion of Freemasonry that, at the highest levels, worships Lucifer.

These **Ten Kingdoms** are spoken of in many chapters of the book of Revelation, particularly Revelation 17, and they will be ruled by the Beast Power whose “authority” comes from the “Dragon,” identified in Revelation 13 as Satan.

This Plan for the **Ten Kingdoms - ruled by governors APPOINTED by the NWO (NOT elected by the people)** - and the elimination of **ALL** national governments and **ALL** religions (and **ALL** our rights!) **is in its final stages RIGHT NOW!**

And the ten horns which thou sawest are ten kings, which have received no Kingdom as yet; but receive power as kings one hour with the beast. Rev 17:12

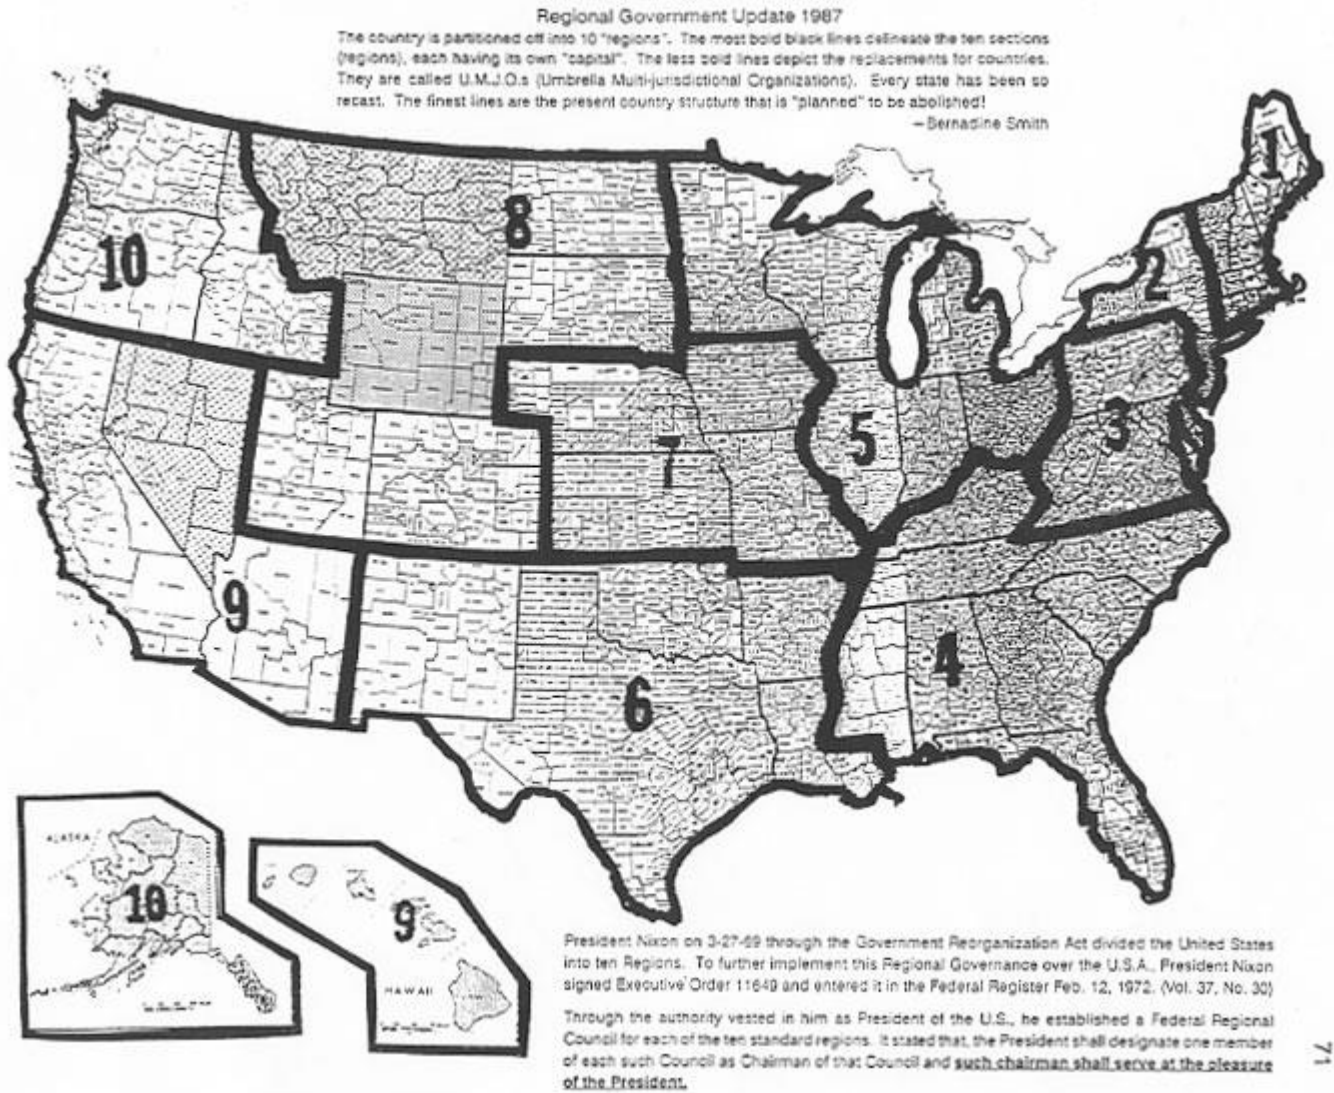

For God hath put in their hearts to fulfill His will, and to agree, and give their **kingdom** unto the beast, until the words of God shall be fulfilled. Rev 17:17

And the seventh angel sounded; and there were great voices in heaven, saying, The **kingdoms** of this world are become [the **kingdoms**] of our Lord, and of his Christ; and he shall reign for ever and ever. Rev 11:15

These Ten Kingdoms will each have a ruler, not a leader elected by the people, but one appointed by the New World Order elitists.

In addition, the United States has been divided into Ten Regions by these same elitists. "Regional" councils have already been **appointed** in California, therefore they have no real responsibility to the people of their region. There are already signs for Regional Parks and Regional Hospitals.

The Internet Encyclopedia, called Wikipedia, has publicly posted the following regions as designated by the U.S. federal government. Below is a copy from their website.

Standard Federal Regions

The ten standard Federal Regions were established by OMB ([Office of Management and Budget](#)) Circular A-105, "*Standard Federal Regions*," in April, 1974, and required for all executive agencies. In recent years, some agencies have tailored their field structures to meet program needs and facilitate interaction with local, state and regional counterparts. The OMB must still approve any departures, however.

Region I: Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island, Vermont

Region II: New Jersey, New York, Puerto Rico, Virgin Islands

Region III: Delaware, Maryland, Pennsylvania, Virginia, West Virginia

Region IV: Alabama, Florida, Georgia, Kentucky, Mississippi, North Carolina, South Carolina, Tennessee

Region V: Illinois, Indiana, Michigan, Minnesota, Ohio, Wisconsin

Region VI: Arkansas, Louisiana, New Mexico, Texas, Oklahoma

Region VII: Iowa, Kansas, Missouri, Nebraska

Region VIII: Colorado, Montana, North Dakota, South Dakota, Utah, Wyoming

Region IX: Arizona, California, Hawaii, Nevada (American Samoa, Guam, Northern Mariana Islands, Trust Territory of the Pacific Islands)

Martial Law will soon be declared

Over the past 15 or 20 years, U.S. presidents of both parties, Democrat and Republican, have signed ominous Executive Orders preparing for Martial Law - to take away our rights and make us into slaves. The public believes that FEMA, the Federal Emergency Management Agency, has been set up to deal with natural disasters like hurricanes and flooding, to help the victims. But only approximately 5% of their budget is devoted to these activities. The real job of FEMA is to take over our government, and US as citizens of this country, when Martial Law is declared. In reality, FEMA has contempt for the American people as confirmed by their treatment of the victims of Hurricane Katrina in New Orleans. The people made homeless by the hurricane were herded like cattle into huge buildings where they had no privacy for sleeping or dressing and armed guards kept anyone from leaving even though women and young girls were being raped in various places, including in the bathrooms.

Please look carefully at these already-signed Executive Orders.

Executive Orders Can Lead to FEMA, National Martial Law

10995 - Seizure of all communications media.
10997 - Seizure of all electric power, fuels, minerals, public and private.
10998 - Seizure of all food supplies and resources both public and private, all farms and all farm equipment.
10999 - Seizure of all types of transportation, including personal cars, trucks, or vehicles of any kind, and total control over the highways, seaports, and waterways.
1100 - Seizure of all civilians for work under Federal supervision. This includes the splitting of families and children from their parents.
11001 - Seizure of all health, education and welfare facilities, both public and private.
11002 - All people in the United States to undergo mandatory registration at the United States Post Offices.
11003 - Seizure of all aircraft and all airports.
11004 - Authorization for forced relocation.
11005 - Seizure of all railroads, waterways, and all storage facilities, both public and private.
11051 - Authorization to put "executive orders" into effect in "times of increased international tension or financial crisis."

FEMA has the power to confiscate your generator if you have one on your property, seize your food supplies, your farm, your personal car or truck, seize YOU and your children for work under Federal supervision, including the separation of children from their parents, seize all hospitals, and seizure of all highways, railroads, waterways and storage facilities.

They are also authorized to **force you to relocate** – anywhere in the world they want to send you! They can send the husband, the wife, and the young children each to a different country.

Martial Law can be declared at their whim – including for “times of increased international tension or financial crisis.” Certainly another 9/11-type disaster would easily qualify, or even the housing bust we are experiencing in late 2007.

Concentration Camps

On the following page is a letter from the Department of the Army written in 1994, revealing the plan for Concentration Camps for U.S. civilians. These camps are for the “Civilian Inmate Labor Program” – “civilian prison camps” in their very own words.

These will house those who do not agree with having all their rights revoked and their property confiscated, or those who believe that our country is a Free Republic as it was founded, or those who are true Christians, worshipers of Jesus Christ, those who refuse to go along with a One World Government.

Foreign Troops will control Americans

Because the New World Order understands that foreign troops will be far more ruthless with Americans than would our own troops, American military personnel have been sent all over the world, fighting battles – and losing their lives – just so the elitist/international bankers/Illuminati/New World Order cabal can take over the natural resources of every

country on earth. Thus, the foreign troops already stationed on American bases, are ready to swing into action to control and enslave Americans.

A second letter from the Department of the Army is a partial list showing which foreign troops will guard and control the various states in America. The tentative plan for the control of citizens of California will be by foreign troops from the Ukraine in Russia.

Many U.S. citizens have already documented the presence of large numbers of foreign troops in our country on a number of military bases. Apparently many of them don't even speak English.

In this letter from the U.S. Department of the Army, this arrangement is ironically called a "partnership" with the Soviet Union. It is no secret that the Soviet Union and the United States are controlled at the highest level by the same Internationalist Jewish Bankers/elitists/Illuminati/Freemasonry/One World Order cabal. Their tentacles reach to every country on the globe.

Those who believe that they can "take back America" have no idea of the vast control and immense resources of these sinister forces.

The Destruction of Christianity

What will be the Religion of the New World Order?

David Spangler, Director of Planetary Initiative, (a United Nations World government group): “No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a Luciferian Initiation.”

American Humanist Movement, Doctrinal statement: “We are humanists. . . We are not for God. . . We are for socialism.”

Humanist Magazine, 1983 Jan-Feb issue. Humanist John J. Dunphy: “I am convinced that the battle for humankind’s future must be waged and won in the public school classroom by teachers that correctly perceive their role as proselytizers of a new faith which will replace the rotting corpse of Christianity.”

Karl Marx (Jew): “My object in life is to dethrone God and destroy capitalism.”

Leon Trotsky (real name Lev Davidovich - Jew): “Religions are illogical primitive ignorance. There is nothing as ridiculous and tragic as a religious government.”

The Soon-Coming One World Religion

A One World Religion has been planned and is already in effect. On the next page is the United Religions Initiative, a Godless, soulless, One World Religion document that is as communistic as the Russian Bolshevik Revolution.

The One World Church had its beginning in June 1997 at Stanford University in Palo Alto, California with nearly 200 delegates present. Episcopalian Bishop William Swing jubilantly announced, “Tell the people that there is a United Religions.” (See document on following pages.)

Witches have now been welcomed into the “community of faith” and are invited to join the Religious Leaders Association. Cornell University (in Ithaca, New York) has established and funded the United Pagan Ministries to assist students in practicing Witchcraft and Nature Worship via Robert Johnson of Cornell United Religious Work. There is even a toll free number, 800-DRUIDRY, for interested “neo-pagan” outsiders.

One-World Church Starts Up

United Religions on Track — with Modifications

"You are deputized!" announced Episcopal Bishop William E. Swing in San Francisco's California dramatically to the nearly 200 delegates about to return home from the second United Religions Summit Conference at Stanford University, Palo Alto, California. "Tell the people that there is a United Religions."

With these words Bishop Swing proclaimed the birth of the Masonic one-world church, an institution named the United Religions (UR). The birth took place as expected in June, according to the timetable drawn up by Swing, who presented the UR "vision" to the world's

elite at the United Nations' fiftieth anniversary celebrations in San Francisco's Grace Episcopal Cathedral in June 1995.

Swing's major partners in setting up the UR are the Gorbachev Foundation and the syncretic World Conference on Religion and Peace (WCRP). The Gorbachev Foundation/USA is a Russian intelligence operation based at the Presidio, a former military base in San Francisco.¹ It seems to be coordinating the leadership of the world governance system in all fields, including religion. The WCRP is a UN non-governmental organization (NGO) headquartered

at the UN Plaza in New York. Its job seems to be to secure the cooperation of all religions for the one-world church.²

Swing had wanted to "unveil the UR to the world" at the Gorbachev Foundation's second State of the World Forum in San Francisco

In June, 1997, Episcopal Bishop William Swing jubilantly announced "tell the people that there is a United Religions".

A merger of Catholicism and Aboriginal paganism was being promoted, the hidden agenda being the persecution of Christianity and the takeover of lands and natural resources

According to the forum's literature, its nineteen distinguished co-chairmen include Gorbachev; Federico Mayor, Director of UNESCO; Jean-Bertrand Aristide of Haiti; three Nobel Peace Prize winners: Desmond Tutu (a WCRP member), Elie Wiesel and Oscar Arias; Marian Wright Edelman of the Children's Defense Fund; Tansu Ciller, Foreign Minister (former Prime Minister) of Turkey; Mrs. Sadat of Egypt; Mrs. Rabin of Israel and the Queen of Jordan; James Baker, former Secretary of State; and Ted Turner of CNN fame.

The nine-member Board of Directors features former U.S. Senator Alan Cranston as Chairman and includes Steve Donovan, former president of the infamous New Age center, the Esalen Institute, and Jim Garrison, president of the State of the World Forum.

There is a very large International Coordinating Council, some of whose members are environmentalist Lester Brown of the Worldwatch Institute; Hazel Henderson, another leading futurist; Robert Muller, a major promoter of the UN world religion and UN global education; the chairman of the Gorbachev Foundation/Netherlands; and leaders from business, industry, foundations, etc. The same categories of people, along with Alan Jones, Dean of San Francisco's Grace Episcopal Cathedral, form a San Francisco Coordinating Council.

Clergy welcomes a real-life witch

A real-life witch is conducting pagan rituals in Salem, Mass., 300 years after the infamous witch trials.

But instead of burning him at the stake, local clergymen have happily welcomed him into the community!

Shawn Poirier, an ordained witch minister, accepted an invitation to join the Salem Religious Leaders Association, an organization of about 20 local ministers and rabbis.

"We welcomed a pagan minister to the council because we want to promote in our community peace and the American tradition of tolerance," explained Rev. Randy Wilkinson of St. Peter's Episcopal Church in Salem.

"It's one way to atone for the tragic history of our city. In 1692, there were about 20 people executed after being accused of practicing witchcraft."

Poirier is delighted by the turn of events. "I wanted to join the association because I want to bring our faith — witchcraft — out of the broom closet into the 20th century," he said.

"There are many misconceptions about witches — for example we do not worship the Devil, practice evil or

**— in town
where they

hurt children. Witches practice a very ancient religion. Our god is nature itself."

Witches celebrate Halloween — as a sacred day of remembrance for the dead — and use crystal balls and tarot cards to divine the future, Poirier said. Ironically, the

ORDAINED WITCH Shawn Poirier in his robes of

people who were put to death in 1692 were falsely accused and weren't really witches, he noted — but now there are about 3,000 practicing witches or "Wiccan" in the city of 38,000.

Poirier says he's been received "very well" by the

The Evangelicals have made agreements with the Catholics. The Episcopalians and the Evangelical Lutherans have decided to "put aside their differences in a push for unity" and Pope John Paul II spent most of his time promoting Ecumenical alliances, but not just with other Christian denominations. His goal, and the goal of the Catholic Church, is to bring together ALL religions, even Buddhists, Hindus, and other Pagan philosophies, to merge them all into a One World Religion.

The Plan of the New World Order is to combine all these religions under the leadership of the Catholic Church, then destroy the Catholic Church by exposing the immense financial corruption, alcoholism, homosexuality, pedophilia and other types of debauchery among the priests and bishops, thus crushing the faith of the people in their religious leaders and institutions.

Those people, when totally devastated by learning of the utter depravity of the entire Catholic Church hierarchy — all the way to the top — will turn away in complete disgust. They will feel betrayed by their spiritual leaders and lose their faith in God, a situation that will make them ripe for cynicism and ultimately Atheism.

This is actually beginning right now, if one only has the eyes to see. The Catholic Church is full of corruption. It is in the newspapers regularly. Priests and even Archbishops cover up the molestation of children, homosexuality, alcoholism and other acts of moral depravity among priests. By doing so, the Catholic leadership actually promotes these crimes and the leaders thereby become complicit.

Then along comes the media – also virtually 100% Jewish owned and controlled – and EXPOSES the financial and moral crimes of the Catholic Church. This is very confusing to the people, which is exactly their goal – Confusion! “Why,” the average person would ask, “if the Jews own and run the Catholic Church from behind the scenes, would they, on one hand, **promote** this debauchery, while on the other hand **exposing** it through the Jewish-controlled media?”

The answer is: The goal of the Jews is to DESTROY Christianity. They are doing so by promoting filth and corruption in the churches, whether in the Catholic Church, morally corrupt televangelists, or the infiltrated leadership of Protestant denominations, THEN they EXPOSE that filth and corruption – all the time attributing it to “Christian leaders” – while all of it is being carefully orchestrated from behind the scenes by the Jews. The people – the church members - when seeing and understanding this cesspool of the “Christian” leadership (without ever knowing the hidden “hands” behind it all), will leave the churches by the millions.

(That is the problem with the Organized Church, in every denomination. The people have faith in the “Church” and their “Church leaders” rather than having faith in God. They **believe** that they have faith in God, but if that were so, the crumbling of the Church as an institution would not bother them in the least, because their personal relationship with Jesus Christ would be untouched and the diabolical plan of the New World Order would not work. But the Bible, in Revelation, tells us it WILL work – at least until Jesus comes!)

Once the population has turned their back on their religious beliefs and accepted the lies of Atheism, the One World Government crowd knows that deep within the heart of every human being there is an unconquerable desire to worship. True Christians understand that God has put that desire in everyone, but it will be perverted and exploited by the enemies of Christ who will promote the worship of Lucifer, the “god” of Freemasonry.

It is true that the lower levels of Freemasonry believe that the organization is basically a Christian society, but they are very aware that speaking the name of Jesus Christ in the Masonic lodge is forbidden. The reason given is that of “tolerance for all beliefs” and a desire not to offend anyone. Political correctness reigns supreme. But that is not the REAL reason.

It is only at the high levels of Freemasonry, the 33rd degree and higher, that one learns that the TRUE “god” of Freemasonry is Lucifer – Satan - and NOT the God of the Bible.

Another fact that is virtually unknown by both Christians and non-Christians is that the Catholic Church worldwide is “owned and run” by the Jews. The rituals, rules, control, superstitions and pageantry of Catholicism is nothing more than Jewish Talmudism dressed up in “Christian” clothes. The present pope, Pope Benedict, is Jewish, as was Pope John Paul II (a Polish Jew). The Head of the Jesuits is a Danish Jew, Jesuit General Count Hans von Kolvenbach, who many believe is the most dangerous man in the world. He is called the “Black Pope” because he works from behind the scenes, controlling the affairs of the Church. The visible Pope, the Pope out in front who meets the people, takes orders from the “Black Pope.”

Hundreds of years ago during the Spanish Inquisition, the Jews and others were told by the Catholic Church that if they did not convert to Catholicism they would be killed. The leaders of International Jewry advised the Jews in Spain to **pretend** to convert to Catholicism and by doing so, infiltrate the Catholic Church up to its highest levels and take it over, just as the Jews have presently done to the government of the United States of America and virtually every other country in the world.

The Jews of today, just like the Pharisees of Jesus’ time, work “in the dark,” in the shadows, behind the scene, as craftily as a puppeteer controlling his puppet.

Jesus said,

“And this is the condemnation that light has come into the world and men loved darkness rather than light, because their deeds were evil. **For every one that does evil hates the light, neither comes into the light, lest his deeds should be exposed.**” John 3:19,20

The Devil at Home in the Vatican

A book published several years ago by a retired priest, Msgr. Luigi Marinelli, caused quite a stir in Italy. *Gone With the Wind at the Vatican* flew off the shelves as Italians eagerly consumed its stories of greedy bishops, money-laundering prelates, and even sexual abuse. In so doing, he became the latest Vatican insider to allege that satanic rituals have been performed within the walls of the Holy See. Another recent book, the anonymously written *Blood Lies in the Vatican*, also hinted at Masonic plots in Rome.

This latest round began with allegations described as ‘explosive,’ made in Rome in November 1996 by an archbishop, that members of the Roman Catholic hierarchy there are secretly involved in formal satanic worship. These charges have been confirmed as true by a well-known Vatican insider and are all the more remarkable by the total lack of notice in the U.S. press.

Archbishop Emmanuel Milingo, 71, is a formerly high-ranking cleric who first spoke out about Satanism in the Vatican, and took a lot of heat for it. However, Milingo has his

own problems. He had already been exiled by the Catholic Church when his exuberant exorcism rites, characterized by some ecclesiastics as owing more to traditional African witchcraft than Catholicism, attracted wide attention.

Milingo, formerly Archbishop of Lusaka, Zambia has made enemies of his fellow Zambian priests, who accused him of practicing "black magic" - - as he has accused an unidentified cabal of Vatican clerics of doing.

But in 2001, Milingo shocked his followers and probably delighted his enemies by jumping ship, marrying a Korean acupuncturist, Maria Sung, 43, the woman chosen for him by none other than the Rev. Sun Myung Moon, head of the Unification Church and self-proclaimed Messiah. The Unification Church has been linked to devil worship in Zambia and has been forced to clear its name in the courts.

Other insiders have also brought forth accusations of Satan worship in the Vatican, namely Malachi Martin, a scholar, Vatican insider, and best-selling author, who said that Milingo's contention that there are Satanists in Rome is completely correct. He continues, "Anybody who is acquainted with the state of affairs in the Vatican in the last 35 years is well aware that the prince of darkness has had and still has his surrogates in the court of St. Peter in Rome." And he added that more members of the clergy are becoming aware of the situation.

Best-selling Christian author, Texe Marrs, (www.texemarrs.com) has done his own investigation of Satan worship in the Vatican, including:

- * Pope John Paul II's public endorsement of voodoo, black magic, Hinduism, Talmudic Judaism and other false religions.
- * The shocking admission by a previous Pope, Paul VI, of secret Satan worship **inside** the walls of the Vatican.
- * The shocking satanic ritual that took place at St. Paul's Chapel, inside Vatican City, 1 June, 1963. During the ritual, churchmen reportedly took diabolical oaths that they signed with their own blood.
- * The rise of the city of Rome as the world's foremost center of Satan worship and devil cults.
- * The list of high-ranking churchmen who secretly are Masons, compiled by the editor-in-chief of The Vatican Observer newspaper in Rome.
- * Reports that Pope John Paul II was a high-level Mason. Why did he worship the "black virgin?" Why did he allow a statue of Buddha to be placed on the alter of a Catholic chapel in Assisi, Italy?

* The commemorative coin issued by the Vatican, that pictures the image of Pope John Paul II, uses ancient Roman Empire lettering, and includes three pagan stars of six points each (the Jewish star!) signifying 6-6-6.

* Satan worship and dark rituals by decadent Protestant clergymen in New York, London, and San Francisco.

SATAN WORSHIP IN THE VATICAN EXPOSED

Devil worship in the Vatican? Sinister and mind-boggling—but *absolutely true*. Here is evidence that the darkness and ravages of Satan worship can be traced right into the sanctuary of the massive St. Peter's Cathedral in Rome, the very heart of Roman Catholicism. These revelations of hard-core Satan worship, black magic arts, and cabalistic occultism among the Catholic hierarchy come not from Protestants, but from high-level officials of the Vatican itself! These Catholic officials and priests are outraged that their church has been invaded by legions from hell and that top church leaders are active devil worshippers! They want their message out and pray that it is not too late.

The stunning disclosures in this provocative, in-depth investigative audiotape include:

- ❖ Pope John Paul II's public endorsement of voodoo, black magic, Hinduism, Talmudic Judaism and other false religion.
- ❖ The recent allegation by Malachi Martin, world-famous Catholic Jesuit priest, author and scholar, that a satanic "black mass" ritual was actually conducted in St. Peter's Cathedral. Martin declares: "The smoke of Satan has now entered the sanctuary of God."
- ❖ The electrifying speech by Archbishop Emmanuel Milingo at the Fatima 2000 International Congress on World Peace, in which he exposed the "third dimension of evil"—the Satan worship—among priests, bishops, and other hierarchy. Archbishop Milingo, an exorcist, is the author of the book, *Face to Face With the Devil*.
- ❖ The shocking admission by a previous Pope, Paul VI, of secret Satan worship *inside* the walls of the Vatican.
- ❖ The amazing, but little publicized, changes in the text of the new Catholic Catechism which seem to make devil worship acceptable and approved.
- ❖ The keynote speech of Cardinal Cooke, to a gathering of 3,000 Masons in New York, in which the Catholic prelate congratulated the Masons for their "loyalty to the ancient values." (But the Masonic Lodge is an occultic religion based on the pagan teachings of Egypt, Babylon, and Jewish mysticism!)
- ❖ The exposure of Father Marcel Maciel Degollado, a Pope John Paul II confidant, as a sex molester. "Father" Maciel, age 76, is head of a powerful, new Catholic Order, the *Legionaries of Christ*.
- ❖ The shocking satanic ritual which took place at St. Paul's Chapel, inside Vatican City, in June, 1963. During the ritual, churchmen reportedly took diabolical oaths which they signed with their own blood.
- ❖ The rise of the city of Rome as the world's foremost center of Satan worship and devil cults.
- ❖ The list of high-ranking churchmen who secretly are Masons, compiled by the editor-in-chief of *The Vatican Observer* newspaper in Rome.
- ❖ Reports that the current pontiff, Pope John Paul II, is a high Mason. Why does he worship the "black virgin?" Why did he allow a statue of Buddha to be placed on the altar of a Catholic chapel in Assisi, Italy?
- ❖ The new commemorative coin issued by the Vatican, which pictures the image of Pope John Paul II, uses ancient Roman Empire lettering, and includes three pagan stars of six points each, signifying 6-6-6.
- ❖ Satan worship and dark rituals by decadent Protestant clergymen in New York, London, and San Francisco. Will today's ecumenical Protestant Church link up with the Catholic Church to produce the prophesied Antichrist, the Beast of Revelation?

Christians forging accords for new era

By Larry B. Stammer
Los Angeles Times

For nearly a thousand years, ethnic rivalries, theological disputes, battles over church leadership and even murderous hatreds have torn at the soul of Christianity.

But as Christianity's third millennium approaches, church leaders from Pope John Paul II to national and international Protestant assemblies are poised to usher in a new era far different from the holy wars of old.

Anglican, Orthodox, Protestant and Roman Catholic churches are forging historic agreements of cooperation that dramatically could change how millions worship and see themselves as Christians.

On Friday in Philadelphia, the 2.5 million-member Episcopal Church approved a "Covenant of Agreement" with the Evan-

gelical Lutheran Church in America, with 5.2 million members. Lutheran leaders vote next month on the same measure, which recognizes the validity of each other's churches, ordained clergy, sacraments and ministries.

To those who have not closely followed ongoing talks, the changes blowing through the church universal may seem sudden. But church leaders say the recent cooperation agreements are built on years of sometimes difficult dialogue and baby steps that began with Vatican II.

"Some believe that we're in the midst of a time when an ecumenical window is open," said the Rev. Daniell Hamby, general secretary of the Consultation on Church Union, a consortium of nine old-line Protestant churches that have been forging an agreement similar

to the Episcopal-Lutheran accord. "There is a sense of the moment and the possibilities now are before us."
The vote in Philadelphia on Friday was hailed by Episcopallians and Lutherans alike as an event of historic proportions.

Historic proportions? What does all this mean? Watch closely.

"The line of distinction between professed Christians and the ungodly is now hardly distinguishable. . . . Papists, Protestants, and worldlings will alike accept the form of godliness without the power, and they will see in this union a grand movement for the conversion of the world and the ushering in of the long-expected millennium." Evangelicals vow to 'reclaim America'

'God bless America': Conservative activists think it's time to go beyond politics.

By DAVID BRASS
The Associated Press

FORT LAUDERDALE, Fla. — What has happened to America? asks the Rev. D. James Kennedy, surrounded by red, white and blue bunting in an imposing sanctuary familiar to viewers of his TV preaching on "The Coral Ridge Floor."

A federal judge in Alabama is sued for displaying the Ten Commandments in his courtroom. Kennedy laments, "While the president is apparently engaged in seeing how many of these compromises he can break."

"God's will for this nation will be done," he assures conservatives from across the country on the final day of a conference called Reclaiming America for Christ. "Twenty-six other empires have risen, and all have fallen."

His message resonates throughout the Coral Ridge Presbyterian Church, where worshippers open with "God Bless America." At the end of the service, on the final notes of "America, the Beautiful," a man

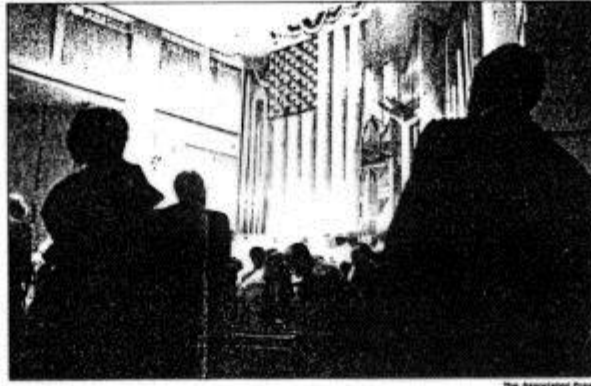

"You might say the hot new idea is the civic gospel," says John Green, a political activist at the University of Akron in Ohio. "Christians have a special responsibility to create a civil order that restores moral lives."

Actually, the idea is a conservative twist on an older tradition. At the turn of this century, liberal evangelicals, shocked by the excesses of capitalism, gave rise to the "social gospel" movement, shifting religious focus from the church to the streets, establishing a tradition for the civil rights struggle.

In the recent past, politics appealed to evangelicals even across party lines. They helped elect a farm-agricultural president, Jimmy Carter, in 1976, and influenced Ronald Reagan's victories in 1980 and 1984. In 1994, with the election of a Republican Congress, many thought these years of hard work through grassroots organizations such as the Christian Coalition had paid off.

But to the dismay of many conservatives, Republican congressional action seems more interested in economic than social issues. "The bottom line is (the GOP) they said they would do some things and they haven't done them," says Jim Woodall, executive director of Concerned Women for America.

FEELING BETRAYED: When GOP presidential candidate Bob Dole kept his distance, and evangelical agendas went unfulfilled in the new Republican Congress, evangelicals felt betrayed. "They

Satanism is now Chic!

There are psychics on Oprah and other talk shows, psychics being used by police departments, Psychics with offices in your neighborhood anxious to predict your future – for a price, television shows about witches and the paranormal, Ouija boards available in regular toy stores, and Harry Potter books bringing to your children witchcraft and instructions on how to cast spells.

And the most shocking aspect is that these books are being endorsed by supposedly "Christian" leaders, such as James Dobson, the late Jerry Falwell, Chuck Colson and others. WHAT has happened to the "Church"?

Never on Sunday

The Ecumenical Movement has another goal, in addition to the One World Religion, and that is a National (and subsequent International) Sunday Law. A Constitutionalist would point out that a Sunday Law would violate the First Amendment of the Constitution, and he would be right. But this law will be couched in non-religious language to deceive the people into believing that it has no religious connotations at all – either now or in the future. They will advertise it as a law to protect the citizens (the working people) from the "greedy employers."

"Everyone needs to have at least ONE day off every week," will be the pitch to the people, "and since Sunday is already the day that most people have off, why not make Sunday a mandatory non-work day – for HEALTH reasons, of course." There will be vehement denials that this is being done for religious purposes.

Yet Pope John Paul II, in his Apostolic Letter, *Dies Domini*, (www.cin.org) published in May, 1998, repeatedly states that civil law must be passed to “allow” (force?) everyone to worship on Sunday because “That is the day of Jesus’ resurrection,” they claim. This declaration is stated repeatedly in the Pope’s Letter.

For hundreds of years, the Catholic Church has claimed that as “God’s church on earth,” (although there is no Biblical foundation for this presumption) they have the power to arbitrarily pick any worship day they choose, even to the point of **abolishing God’s chosen holy day, the Seventh-day Sabbath - Saturday**. In other words, the Pope claims to have authority equal with God. (This claim is, of course, outright blasphemy.) The Catholic Church declares that **tradition** is equal to Scripture in the development and enforcement of theological doctrines.

This concept is precisely what **Jesus strongly rebuked** when he was on earth. Jesus said:

“You have made the commandments of God of none effect by your **tradition**.” Matt. 15:6

The Pope has called for a **mandatory Sunday Law** to be passed in which almost all businesses would be closed to honor Sunday as “The Lord’s Day” – another designation for which there is NO Biblical support! (Nowhere in the Bible is Sunday referred to as the “Lord’s Day.”)

The Protestants are also joining in this “Lord’s Day” – Sunday movement, even though the Catholic Church has ridiculed the Protestant Churches for keeping Sunday “holy” claiming that if the Protestants are really “Protesting” the Catholic Church, they should rightfully keep Saturday holy as the Sabbath, the day that God Himself designated as “holy” in Genesis 2:1-4. The Catholic Church admits fully that there is NO Biblical support for worshiping on Sunday and that “Sunday Sacredness” is a totally “Catholic” institution. (See “Was Jesus Really Resurrected on Sunday” at www.goodnewsaboutgod.com)

The “Lord’s Day” Alliance, a group of prominent Protestant leaders in the U.S. with the goal of bringing America “back to God” and particularly endorsing Sunday (which they erroneously call - “the Sabbath”) as a day of worship, has been led by Bill Bright (Campus Crusade for Christ), Marlin Maddox (Point of View Radio Program), D. James Kennedy (Coral Ridge Ministries), and Larry Burkett (Crown Financial Ministries). Even though all of these men have died, the “Lord’s Day Alliance” is still very much alive, pushing their agenda.

Their mission is as follows:

“The Lord’s Day Alliance of the United States exists to encourage Christians to reclaim the Sabbath (Editor’s Note: Their word for Sunday) as a day of spiritual and personal renewal, enabling them to impact their communities with the Gospel.

“The Lord's Day Alliance of the United States (LDA) was founded in 1888. That year representatives of six major Protestant denominations met in Washington, D.C. to organize the American Sabbath Union; this name was later changed to The Lord's Day Alliance of the United States. Over its life, the LDA has worked toward the goal of preserving and protecting worker's rights to time away from work responsibilities to worship and honor the Lord. Today, the Lord's Day Alliance stands on the edge of a great opportunity to proclaim the message of the Sabbath--a message of spiritual renewal and personal well-being--in our fast-paced 24/7, 21st century American culture.”

The Catholic Church, particularly, has learned that they cannot control the thought processes of Catholics who do not attend church **but can, with almost 100% certainty, control the political and religious thinking of those who do!**

Accompanying the *Dies Domini* encyclical was a second Apostolic Letter by John Paul II, entitled *Motu Proprio AD TUENDAM FIDEM*, an enforcement document by which certain norms are inserted into the code of Canon law making them sacred (an authoritatively established rule) for which there are penalties (sanctions), some very severe, dictated by the church for not obeying these rules.

In this enforcement document, one finds the following:

“Canon 1371 – The following are to be punished with **a just penalty**:

“**A person** who, when warned by the Apostolic See does not retract:

“**A person** who in any other way **does not obey** the lawful command or prohibition of the Apostolic See or a Superior and, after being warned, persists in disobedience.

“Canon 598 – Those things are to be believed by divine and catholic faith which are contained in the word of God as it has been written or handed down by tradition. . . all Christian faithful are therefore bound to avoid any contrary doctrines. (NOTE: Apparently they feel they have jurisdiction over ALL Christians.)

“Canon 1436 – 1. **Whoever denies a truth** which must be believed with divine and catholic faith, or who calls into doubt, or who totally repudiates the Christian faith, and does not retract after having been legitimately warned, is to be punished as a heretic.”

Please NOTE: In the past “**punishment as a heretic**” has meant **DEATH!** For both Catholics and non-Catholics.

On the following pages are short samples of these Papal documents.

APOSTOLIC LETTER
DIES DOMINI
OF THE HOLY FATHER JOHN PAUL II
TO THE BISHOPS, CLERGY AND FAITHFUL OF THE CATHOLIC CHURCH
ON KEEPING THE LORD'S DAY HOLY

My esteemed Brothers in the Episcopate and the Priesthood, Dear Brothers and Sisters!

1. The Lord's Day — as Sunday was called from Apostolic times⁽¹⁾ — has always been accorded special attention in the history of the Church because of its close connection with the very core of the Christian mystery. In fact, in the weekly reckoning of time Sunday recalls the day of Christ's Resurrection. It is Easter which returns week by week, celebrating Christ's victory over sin and death, the fulfilment in him of the first creation and the dawn of "the new creation" (cf. 2 Cor 5:17). It is the day which recalls in grateful adoration the world's first day and looks forward in active hope to "the last day", when Christ will come in glory (cf. Acts 1:11; 1 Th 4:13-17) and all things will be made new (cf. Rev 21:5).

Rightly, then, the Psalmist's cry is applied to Sunday: "This is the day which the Lord has made: let us rejoice and be glad in it" (Ps 118:24). This invitation to joy, which the Easter liturgy makes its own, reflects the astonishment which came over the women who, having seen the crucifixion of Christ, found the tomb empty when they went there "very early on the first day after the Sabbath" (Mk 16:2). It is an invitation to relive in some way the experience of the two disciples of Emmaus, who felt their hearts "burn within them" as the Risen One walked with them on the road, explaining the Scriptures and revealing himself in "the breaking of the bread" (cf. Lk 24:32,35). And it echoes the joy — at first uncertain and then overwhelming — which the Apostles experienced on the evening of that same day, when they were visited by the Risen Jesus and received the gift of his peace and of his Spirit (cf. Jn 20:19-23).

2. The Resurrection of Jesus is the fundamental event upon which Christian faith rests (cf. 1 Cor 15:14). It is an astonishing reality, fully grasped in the light of faith, yet historically attested to by those who were privileged to see the Risen Lord. It is a wondrous event which is not only absolutely unique in human history, but which lies at the very heart of the mystery of time. In fact, "all time belongs to [Christ] and all the ages", as the evocative liturgy of the Easter Vigil recalls in preparing the Paschal Candle. Therefore, in commemorating the day of Christ's Resurrection not just once a year but every Sunday, the Church seeks to indicate to every generation the true fulcrum of history, to which the mystery of the world's origin and its final destiny leads.

It is right, therefore, to claim, in the words of a fourth century homily, that "the Lord's Day" is "the lord of days".⁽²⁾ Those who have received the grace of faith in the Risen Lord cannot fail to grasp the significance of this day of the week with the same deep emotion which led Saint Jerome to say: "Sunday is the day of the Resurrection, it is the day of Christians, it is our day".⁽³⁾ For Christians, Sunday is "the fundamental

JOHN PAUL II

Apostolic Letter *Motu Proprio*
AD TUENDAM FIDEM,
by which certain norms are inserted
into the *Code of Canon Law*
and into the *Code of Canons of the Eastern Churches*.

TO PROTECT THE FAITH of the Catholic Church against errors arising from certain members of the Christian faithful, especially from among those dedicated to the various disciplines of sacred theology, we, whose principal duty is to confirm the brethren in the faith (*Lk* 22:32), consider it absolutely necessary to add to the existing texts of the *Code of Canon Law* and the *Code of Canons of the Eastern Churches*, new norms which expressly impose the obligation of upholding truths proposed in a definitive way by the Magisterium of the Church, and which also establish related canonical sanctions.

Canon 1371 – The following are to be punished with a just penalty:

1° a person who, apart from the case mentioned in canon 1364 § 1, teaches a doctrine condemned by the Roman Pontiff, or by an Ecumenical Council, or obstinately rejects the teachings mentioned in canon 750 § 2 or in canon 752 and, when warned by the Apostolic See or by the Ordinary, does not retract;

2° a person who in any other way does not obey the lawful command or prohibition of the Apostolic See or the Ordinary or Superior and, after being warned, persists in disobedience.

B) Canon 598 of the *Code of Canons of the Eastern Churches* will now have two paragraphs: the first will present the text of the existing canon and the second will contain a new text. Thus canon 598, in its complete form, will read as follows:

Canon 598 – § 1. Those things are to be believed by divine and catholic faith which are contained in the word of God as it has been written or handed down by tradition, that is, in the single deposit of faith entrusted to the Church, and which are at the same time proposed as divinely revealed either by the solemn Magisterium of the Church, or by its ordinary and universal Magisterium, which in fact is manifested by the common adherence of Christ's faithful under the guidance of the sacred Magisterium. All Christian faithful are therefore bound to avoid any contrary doctrines.

§ 2. Furthermore, each and everything set forth definitively by the Magisterium of the Church regarding teaching on faith and morals must be firmly accepted and held; namely, those things required for the holy keeping and faithful exposition of the deposit of faith; therefore, anyone who rejects propositions which are to be held definitively sets himself against the teaching of the Catholic Church.

Canon 1436 § 2 of the *Code of Canons of the Eastern Churches*, consequently, will receive an appropriate reference to canon 598 § 2, so that it will now read:

Canon 1436 – § 1. Whoever denies a truth which must be believed with divine and catholic faith, or who calls into doubt, or who totally repudiates the Christian faith, and does not retract after having been legitimately warned, is to be punished as a heretic or an apostate with a major excommunication; a cleric moreover can be punished with other penalties, not excluding deposition.

§ 2. In addition to these cases, whoever obstinately rejects a teaching that the Roman Pontiff or the College of Bishops, exercising the authentic Magisterium, have set forth to be held definitively, or who affirms what they have condemned as erroneous, and does not retract after having been legitimately warned, is to be punished with an appropriate penalty.

5. We order that everything decreed by us in this Apostolic Letter, given *motu proprio*, be established and ratified, and we prescribe that the insertions listed above be introduced into the universal legislation of the Catholic Church, that is, into the *Code of Canon Law* and into the *Code of Canons of the Eastern Churches*, all things to the contrary notwithstanding.

Given in Rome, at St Peter's, on 28 May, in the year 1998, the twentieth of our Pontificate.

EXHORTATION

INTRODUCTION

<UT UNUM SINT>! The call for Christian unity made by the Second Vatican Ecumenical Council with such impassioned commitment is finding an ever greater echo in the hearts of believers, especially as the Year 2000 approaches, a year which Christians will celebrate as a sacred Jubilee, the commemoration of the Incarnation of the Son of God, who became man in order to save humanity.

The courageous witness of so many martyrs of our century, including members of Churches and Ecclesial Communities not in full communion with the Catholic Church, gives new vigor to the Council's call and reminds us of our duty to listen to and put into practice its exhortation. These brothers and sisters of ours, united in the selfless offering of their lives for the Kingdom of God, are the most powerful proof that every factor of division can be transcended and overcome in the total gift of self for the sake of the Gospel.

<Christ calls all his disciples to unity>. My earnest desire is to renew this call today, to propose it once more with determination, repeating what I said at the Roman Colosseum on Good Friday 1994, at the end of the meditation on the <Via Crucis> prepared by my Venerable Brother Bartholomew, the Ecumenical Patriarch of Constantinople. There I stated that believers in Christ, united in following in the footsteps of the martyrs, cannot remain divided. If they wish truly and effectively to oppose the world's tendency to reduce to

TERTIO MILLENNIO ADVENIENTE

"As the Third Millennium Draws Near"

John Paul II

[Released 14 November 1994 reprinted with the permission of L'Osservatore Romano]

TO: THE BISHOPS, PRIESTS AND DEACONS, MEN AND WOMEN RELIGIOUS, AND ALL THE LAY FAITHFUL.

INTRODUCTION

1 As the Third Millennium of the new era draws near, our thoughts turn spontaneously to the words of the Apostle Paul, "When the fullness of time had come, God sent forth His Son, born of woman" (Gal 4:4). The fullness of time coincides with the mystery of the Incarnation of the Word, of the Son who is of one being with the Father, and with the mystery of the Redemption of the world. In this passage, Saint Paul emphasizes that the Son of God was born of woman, born under the Law, and came into the world in order to redeem all who were under the Law so that they might receive adoption as sons and daughters. And, he adds, "Because you are sons, God has sent the Spirit of His Son into our hearts, crying 'Abba! Father!'" His conclusion is truly comforting: "So, through God you are no longer a slave, but a son, and if a son, then an heir" (Gal 4:6-7).

Paul's presentation of the mystery of the Incarnation contains the revelation of the mystery of the Trinity and the continuation of the Son's mission in the mission of the Holy Spirit. The Incarnation of the Son of God, His conception and birth, is the prerequisite for the sending of the Holy Spirit. This text of Saint Paul thus allows the fullness of the mystery of the Redemptive Incarnation to shine forth.

1

"JESUS CHRIST IS THE SAME YESTERDAY AND TODAY" (HEB 13:8)

2 In his Gospel Luke has handed down to us a concise narrative of the circumstances of Jesus' birth: "In those days a decree went out from Caesar Augustus that all the world should be enrolled.... And all went to be enrolled, each to his own city. And Joseph also went up from Galilee, from the city of Nazareth, to Judea, to the City of David, which is called Bethlehem, because he was of the house and lineage of David, to be enrolled with Mary, his betrothed, who was with child. And while they were there, the time came for her to be delivered. And she gave birth to her firstborn son and wrapped him in swaddling cloths, and laid him in a manger, because there was no place for them in the inn" (Lk 2:1,3-7).

Thus was fulfilled what the Angel Gabriel foretold at the Annunciation, when he spoke to the Virgin of Nazareth in these words: "Hail, full of grace, the Lord is with you" (Lk 1:28). Mary was troubled by these words, and so the divine messenger quickly added: "Do not be afraid, Mary, for you have found favor with God. And behold, you will conceive in your womb and bear a son, and you shall call his name Jesus. He will be great and will be called the Son of the Most High.... The Holy Spirit will come upon you and the power of the Most High will overshadow you; therefore the child to be born will be called holy, the Son of God" (Lk 1:30-32,35). Mary's reply to the angel was unhesitating: "Behold, I am the handmaid of the Lord! let it be to me according to your word" (Lk 1:38). Never in human history did so much depend, as it did then, upon the consent of one human creature.² 3 John, in the Prologue of his Gospel, captures in one phrase all the depth of the mystery of the Incarnation. He writes, "And the Word became flesh and dwelt among us, full of grace and truth; we have beheld his glory, glory as of the only Son from the Father" (1:14). For John, the Incarnation of the Eternal Word, of one being with the Father, took place in the conception and birth of Jesus. The Evangelist speaks of the Word who in the beginning was with God, and through whom everything which exists was made; the Word in whom was life, the life which was the light of men (cf. 1:1-4). Of the Only-Begotten Son,

Is There Religious Fervor for a National Sunday Law among the people of America?

The First Amendment of the Constitution reads as follows:

“Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.”

For those who think that such laws could NEVER be passed in America because they clearly violate our First Amendment Rights, think again. Sunday Laws have happened many times in the past in America. According to the internet encyclopedia, Wikipedia:

“In [Texas](#), for example, blue laws prohibited selling house wares such as pots, pans, and washing machines on Sunday until 1985. In Texas, [Colorado](#), [Illinois](#), [Indiana](#), [Louisiana](#), [Maine](#), [Michigan](#), [Minnesota](#), [Pennsylvania](#), and [Wisconsin](#), car dealerships continue to operate under blue-law prohibitions in which an automobile may not be purchased or traded on a Sunday. In some cases these laws were created or retained with the support of those whom they affected, to allow them a day off each week without fear of their competitors still being open.

“Many states still prohibit selling [alcohol](#) on Sunday, or at least before noon on Sunday, under the rationale that people should be in church on Sunday morning, or at least not drinking. At least one unusual feature of [American culture](#)—the ability to buy groceries, office supplies, and house wares from a [drug store](#)—can be traced to blue laws (under blue laws, drug stores are generally allowed to remain open on Sunday to accommodate emergency medical needs

“In South Carolina, Blue laws prohibit sporting events on Sundays, with a few exceptions for collegiate events.

“Southern and mid-western states also passed numerous laws to protect the Sabbath during the mid to late nineteenth century. Laws targeted numerous groups including saloon owners, Jews, [Seventh-day Adventists](#), and non-religious peoples. These Sabbath laws enacted at the state and local levels would sometimes carry penalties for doing non-religious activities on Sunday **as part of an effort to enforce religious observance and church attendance**. Numerous people were arrested for playing cards, baseball, and even fixing wagon wheels on Sunday. Some of these laws still exist today.”

Now there are many who again are vigorously working to take away our religious rights by establishing Sunday Closing Laws, stimulated by Pope John Paul's Apostolic letter and with the support of the “Lord's Day” Alliance.

Never on Sunday

Eric Schultz/Huntsville Times

Terri Thomas, assistant manager of the Hobby Lobby on South Memorial Parkway, places a sign on the front of the store informing customers that the business will begin closing on Sundays starting May 10.

Some retailers closing for religious reasons

By RICK DAVIS
Times Business Writer

Those 33 Hobby Lobby stores are joining 15 others in the 162-store chain that are closing on Sundays.

After years of battling "blue laws," which prohibited certain kinds of businesses from opening on Sundays, a few other regional and national retailers are pulling back from seven-days-a-week operations. Chick-Fil-A founder Truett Cathy has always refused to open his chicken-sandwich restaurants on Sundays. And local restaurateur David Martin, who owns and operates Steak-Out locations and Rosie's Mexican Cantina, decided three years ago to close his stores on Sundays.

Business was good. But the hours were long. When one of Martin's best store managers

"When we first closed we had an initial drop in sales, but within six months we had caught our old sales levels and began having record weeks again."

— David Martin
Founder, Steak-Out

Martin's decision was based in the belief that his people — including himself and his wife, Rhonda — needed a day off. Religion was part of the decision, because "that was a day for most people's worship. Not all people worship that day. But for the majority, it would give them time

said. "But within six weeks, sales in those stores were actually running ahead of 1997 for the same period."

Alabama laws regarding businesses being open on Sundays date back to 1852. Antebellum legislators fixed the penalty for any person "who engages in shooting, hunting, gaming, card playing or racing on that day, or who, being a merchant or shopkeeper, druggist excepted, keeps open store on Sunday," at a fine of no less than \$10 and no more \$100, and a jail sentence of no more than three months.

Bill Hane says Hobby Lobby will remain closed on Sunday as long as possible. "We just feel like God honors people who do the right thing," Hane said. "There's an old saying that says, 'If your religion and business don't mix, there's something

A rescue plan for Sunday?

Many congratulations on your re-election to the House of the Commons. We hope you will find the changes of the past few historic weeks will come as a breath of fresh air to everyone involved in the legislative process.

As you will know from our previous activities, we have still not given up in our attempts to keep Sunday as a special 'family day'

Whatever your view might have been in 1994, we would like to convince you that additional trading on a Sunday will not be good for a society which is already showing many signs of individual and family stress.

We hope that in the new Parliament you will decide you would like to work with colleagues to restore Sunday as a 'special' day for ALL members of society, not just for those who can afford to say no to Sunday work.

ON WITH THE PROOF

*"He also forced everyone, small and great, rich and poor, free and slave, to receive a mark on his right hand or on his forehead, so that (the reason given in all the Bible for this mark) **no one could buy or sell unless he had the mark, which is the name of the beast, or the number of his name. This calls for wisdom. If anyone has insight, let him calculate the number of the beast, for it is man's number. His number is 666**" (Rev. 13:16-18).*

The following was taken from the magazine "Voice of the Nazarene," P.O. Box 41, Finleyville, PA 15332, W.L. King, Editor: "So many shocking, even unbelievable things are taking place before our own eyes. Just recently I read this news item:

"The French magazine, 'Foy et Rai' reported from the United Nations organization in Geneva, Switzerland that plans are worked out to dissolve the UNO to make way for a **World Tribunal** which will seize all possessions and all savings and bank accounts and deposits. Every man, woman and child will receive a certain amount of money and a **number**. This money is already available and in a bank waiting for distribution. Everyone with a number will be employed either in the administrative, the commerce, the industrial or the agricultural branch. This project and this plan provides for a total unification of **church and state**, and also provides for a single form of worship. The appointed day for all people will be **Sunday**. **The number received by the people will promise the right to buy and sell.**

"At the end of this statement, a Christian rose and asked the speaker, 'What happens to the minorities who will not accept this plan?' The Christian was told, 'Their number will be cancelled with a black line and they will be deprived of the right to buy or sell and will thus be forced to destruction.' "

Note: The foregoing unbelievable, but nevertheless documented information was also recently released in a special statement by P.A. DelValle, president of the Defenders of the American Constitution. Mr. DelValle is a lieutenant general in the U.S. army, retired. This information was translated from the July, 1967 edition of "Light and Leben," by the Branch Publishing House, Cleveland, Ohio, of the German Branch of the Assemblies of God.

There is NO Biblical support whatsoever for worshiping on Sunday, a pagan day for worship of the Sun god, a day that leads people AWAY from Christ because it denies the sanctity of the Seventh-day Sabbath, a day that God has set aside for us to worship

Him and to remind us that HE is our Creator, and the Creator of the world. Genesis 20:8-11

If the sanctity of the Seventh-day (Saturday) Sabbath had been upheld by Christians throughout the ages, the evils of evolution would not have been able to take hold in our society nor in Christian churches as it has. God made the Seventh-day Sabbath (Saturday) holy as a MEMORIAL of His creation of us and of the whole world. See Genesis 2:1-4

Sunday is the pagan day for sun worship, NOT God's holy Sabbath day.

The Perversion of Education

Harvard, Yale, Princeton and many other well-known schools began as Christian schools. But they have been taken over completely by the liberal, communist, Jewish cabal that runs education in America. The following are the present Presidents of the Ivy League schools:

Harvard University – Drew Gilpin Faust – a **Jewish** woman married to Charles Rosenberg – also a Jew.

Yale University – Richard Levin (Jew)

Princeton University – Shirley Tilghman (Jew)

Cornell University – David Skorton (Jew)

Columbia University – Lee Bollinger (Jew)

University of Pennsylvania – Amy Gutmann (Jew)

Dartmouth – James Wright (Jewish?) Provost – Barry Scherr (Jew)

Brown University – Ruth Simmons, identified as an African-American

Public Schools are Unconstitutional – AND Anti-God

The Public Schools were illegally started to allow the emerging One World Government to control what every child in America is taught.

Here are some quotes from the Professors who teach our children's teachers:

Dr, Chester Pierce, Harvard University Professor, Humanist, New World Order Guru. This Professor instructs teachers and those students who aspire to become teachers of our children as follows:

“Every child in America who enters school at the age of five is mentally ill, because he comes to school with an allegiance to our institutions, toward the preservation of this form of government that we have. Patriotism, nationalism, and sovereignty, all that proves that children are sick because a truly well individual is one who has rejected all of those things, and is truly the international child of the future.”

Dr. Paul Brandwein (Jew), Leading U.S. child psychologist. He instructs teachers on how to recognize mental disability in our school children. He states:

“Every child who believes in God is mentally ill.”

Dr. Sidney Simon (Jew), Lecturer, Educator who some say specializes in encouraging immoral and criminal activities in youths. He instructs teachers as follows:

“We do not need any more preaching about right and wrong. The old ‘thou shalt nots’ simply are not relevant.” Further he says, “Values clarification is a method for teachers to change the values of children without getting caught.”

Humanist Curriculum: Humanists are training our nation’s teachers to be “change agents” for their New World Order. There is also the matter of the literature that they have for teachers to use to instruct American children. One such book entitled “Weep for Our Children”, might explain to Police Officers a great deal about why crime rates in school age children are skyrocketing. Consider this one passage touting the humanistic “Values Clarification/Situation Ethics” program:

“It’s OK to lie. It’s OK to steal. It’s OK to have premarital sex. It’s OK to cheat or to kill if these things are part of your value system, and you clarified these values for yourself. The important thing is not what values you choose, but that you have chosen them yourself freely and without coercion of parents, spouses, priest, friends, ministers or social pressure of any kind.”

The National Education Association (NEA) is a liberal, left-wing, essentially communist labor union for 3.2 million public school teachers in America. It is in large part responsible for the Education mess we are witnessing today, with children being deliberately dumbed-down and violence escalating at an alarming rate between students and students against teachers. The NEA echoes the “goals” stated in the quotations of the “educators” found in the previous paragraphs.

"Among the elementary measures the American government will adopt to further the cultural revolution are the following: the schools, colleges, and universities will be coordinated and grouped under a National Department of Education and its state and local branches. The studies will be revolutionized, being cleansed of religious, patriotic, and other features of bourgeois ideology." --William Z. Foster, National Chairman of the United States Communist Party, in his book "Toward a Soviet America".

The Second largest teacher's union, and affiliated with the AFL-CIO, is the American Federation of Teachers.

"When school children start paying union dues, that's when I'll start representing the interests of school children." - Former president of the American Federation of Teachers, Albert Shanker.

A warning was given to all Americans on January 10, 1963 when Florida Congressman Herlong read into the Congressional Record a list of forty-five Communist Goals to take over America. Here are some of the Communist Goals to take over the schools and the children:

16. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.

17. Gain control of all student newspapers.

28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of 'separation of church and state.'

29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.

30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."

31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the 'big picture.' Give more emphasis to Russian history since the Communists took over.

The Destruction of the Family

Today's social problems can clearly be traced to the disintegration of the family unit. The Politicians and sociologists speak openly about this but never mention that this phenomenon is the result of a planned conspiracy to usurp control over the children of the U.S. and the world.

Two more of the Communist goals listed in the Congressional Record of 1963 are as follows:

40. Discredit the family as an institution. Encourage promiscuity and easy divorce.

41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.

In 1968, Warren Bennis and Philip Slater wrote in *The Temporary Society*,

“One cannot permit submission to parental authority if one wishes to bring about profound social change. . . In order to effect rapid changes, any such centralized regime must mount a vigorous attack on the family lest the traditions of present generations be preserved. It is necessary, in other words, artificially to create an experiential chasm between parents and children to insulate the latter in order that they can more easily be indoctrinated with new ideas. The desire may be to cause an even more total submission to the state, but if one wishes to mold children in order to achieve some future goal, one must begin to view them as superior, inasmuch as they are closer to this future goal. One must also study their needs with care in order to achieve this difficult preparation for the future. One must teach them not to respect their tradition-bound elders, who are tied to the past and know only what is irrelevant.”

In 1969, the Joint Commission on Mental Health of Children presented a report to Congress, stating,

“As the home and church decline in influence...schools must begin to provide adequately for the emotional and moral development of children...The school...must assume a direct responsibility for the attitudes and values of child development. The child advocate, psychologist, social technician, and medical technician should all reach aggressively into the community, send workers out to children's homes, recreational facilities and schools. They should assume full responsibility for ALL education, including pre-primary education.”

Children are being taught by their schoolteachers and the television media, in subtle, but deliberate, ways to disrespect parental authority and look upon the traditions of the past as backward.

Brock Chisholm (1959 Humanist of the Year) was at one time head of the World Health Organization, and in the February 1946 issue of *Psychiatry* he wrote,

“To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas...We have swallowed all manner of poisonous certainties fed us by our parents, our Sunday and day school teachers, our politicians, our priests...The reinterpretation and eventual eradication of the concept of right and wrong which has been the basis of child training, the substitution of intelligent and rational thinking for faith in the certainties of old people, these are the belated objectives...for charting the changes in human behavior.”

This quotation by Brock Chisholm is spoken in the true spirit of Barbarian, Atheistic, Communism, the “religion” of the New World Order!

Articles are appearing in major magazines implying that “Parents Don’t Matter.” There is a move to License parents, but WHO will do the licensing? The godless, Satan-worshiping leaders of the New World Order and those in their employ, the very people whose goal is to DESTROY the family unit.

How Kids

**Do
Parents
Matter?**

Did you think that the way parents treat their children influences how they turn out? Think again, argues a controversial new book, which contends that parents matter a whole lot less than scientists believe. **By Sharon Begley**

SURELY THERE IS NO MORE CHERISHED, YET HUMBLING, idea than the conviction that parents hold in their hands the power to shape their child's tomorrows. And the evidence for it is as impossible to ignore as the toddler throwing a tantrum in the grocery store when Daddy refuses to buy him M&Ms: setting reasonable, but firm, limits teaches children self-control and good behavior, but being either too permissive or too dictatorial breeds little brats. Giving your little girl a big hug when she skins her knee makes her feel loved and secure, which enables her to form trusting relationships when she blooms into a young woman. Reading and talking to children fosters a love of reading; divorce puts them at risk of depression and academic failure. Physical abuse makes them aggressive, but patience and kindness, as shown by the parents who soothe their child's frustration at not being able to play a favorite piano piece rather than belittling him, leaves a child better able to handle distress both in youth and in adulthood. Right?

Wrong, wrong and wrong again, contends Judith Rich Harris. In a new book, *"The Nurture Assumption: Why Children Turn Out the Way They Do; Parents Matter Less Than You Think and Peers Matter More"* (462 pages. Free Press. \$26), Harris is igniting a bonfire of controversy for her central claim: the belief "that what influences children's development ... is the way their parents bring them up ... is wrong." After parents contribute an egg or a sperm filled with DNA, she argues, virtually

overflowing with books and magazines, where classical music was played, where jokes were told," recalls Harris. Both girls took ballet lessons; both learned the crawl at Mrs. Dee's Swim School. Both were read books by their parents and both delighted in birthday parties with homemade cake. Both experienced the sorrow and stress of a sick mother (Harris developed a mysterious autoimmune illness, part lupus and part systemic sclerosis, when Elaine was 6 and Nomi 10, and was often confined to bed). Yet Nomi was a well-behaved child who "didn't want to do anything we didn't want her to do," says Harris over iced tea in her kitchen. Elaine, adopted at 2 months, was

Should Parents Be Licensed?

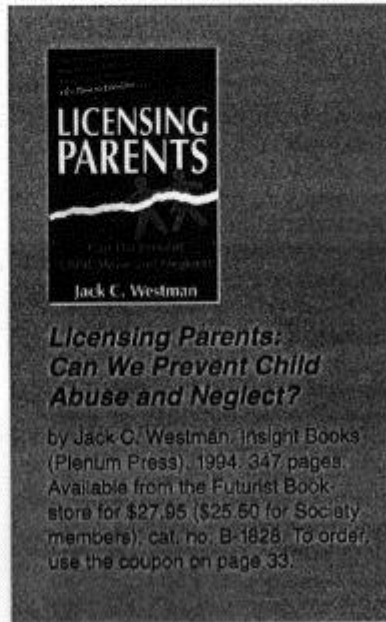

You need a license to drive a car or own a dog, but not to raise a child.

If children ARE the future, as pundits and politicians so often claim, then parents are the people most involved in shaping the future. Parents' actions and attitudes, the examples they set, and the ways they show—or fail to show—their love, directly influence the world views and personal values of tomorrow's citizens.

Yet, becoming a parent today requires no prior training, no commitment, no demonstration of aptitude or even interest. Parenthood just "comes naturally." And judging by the staggering burden of crime and welfare costs, it comes too often to those least prepared to cope with its demands.

Such at least are the conclusions of Jack C. Westman, professor of psychiatry at the University of Wisconsin at Madison. In his passionately argued book, he proposes giving society's stake in competent childrearing a basis in law by licensing prospective parents. Besides drawing on his clinical experience working with abused and neglected children, Westman marshals statistics and evidence from many sources to support this seemingly radical proposal.

Westman estimates that incompetent parents, who "damage their children by ignoring or tyrannizing them," make up only 4% of the U.S. population. Yet their impact on society is considerable. Westman calculates that competent parenting of a child yields \$1 million in benefits to society, while every incompetent

dictable outcomes of childhoods spent among adults who lack "affectionate attachment bonds" to the youngsters they supposedly care for.

Americans undervalue parenting today, Westman believes, because they tend to respect paid work more than unpaid effort, however dedicated. Moreover, he contends, children everywhere are victims of "juvenile ageism." This prejudice sometimes expresses itself in "benevolent" attempts to overprotect children from contact with reality. More often it sets unfair limits on children's rights for the sake of adult convenience. In Westman's eyes, children constitute an oppressed minority who are consistently ignored. Even "child protection" laws too often fail to enhance the well-being of children.

"The way against child abuse has

Westman proposes licensing as a way to control parenting. At present, the law deals with courts and child abuse, but he demonstrates how licensing could prevent harm after it has occurred. Licensing is a contract under which parents agree to meet standards of care. Failure to meet these standards would constitute child abuse, which is easier to rectify—than are the consequences of neglect or abuse.

Westman takes issue with the current plan to require prospective parents to obtain licenses before marriage. But marriage should be empowered to require prospective parents to obtain licenses as soon as they are certain, or, as a last resort, of the child.

The application process should be simple, with requirements: (1) to have reached maturity; and (2) to have completed high school or an equivalent and support a child. Licensing and psychological qualification are necessary for completion of a high school or college. Licensing should include practical training with very young children. A parent would be required to complete a new licensing process for each subsequent child.

Though Westman's theoretical objections to licensing and regulation does not attempt to address practical difficulties that arise. For example, Juanita Lee decided to have a child but only one of her parenting licenses was available.

NEW WORLD ORDER SETS COURSE TO DESTROY FAMILY UNIT

It is no secret that today's social problems can be traced to the disintegration of the family unit. Sociologists and politicians from both parties are speaking publicly about this. What is not discussed openly is that this phenomenon is the result of a planned conspiracy to usurp control over the children of the world.

It is the determined purpose of the New World Order to dominate and subdue the cultures of the world and shape them into one global culture. To do this it has been necessary to remove children from the environment of the traditional family where they would receive religious instruction and be trained to think independently.

In 1968, Warren Bennis and Philip Slater wrote in *THE TEMPORARY SOCIETY*, "One cannot permit submission to parental authority if one wishes to bring about profound social change....In order to effect rapid changes, any such centralized regime must mount a vigorous attack on the family lest the traditions of present generations be preserved. It is necessary, in other words, artificially to create an experiential chasm between parents and children to insulate the latter in order that they can more easily be indoctrinated with new ideas. The desire may be to cause an even more total submission to the state, but if one wishes to mold children in order to achieve some future goal, one must begin to view them as superior, inasmuch as they are closer to this future goal. One must also study their needs with care in order to achieve this difficult preparation for the future. One must teach them not to respect their tradition-bound elders, who are tied to the past and know only what is irrelevant."

In 1969, the Joint Commission on Mental Health of Children presented a report to Congress, stating, "As the home and church decline in influence...schools must begin to provide adequately for the emotional and moral development of children...The school...must assume a direct responsibility for the attitudes and values of child development. The child advocate, psychologist, social technician, and medical technician should all reach aggressively into the community, send workers out to children's homes, recreational facilities and schools. They should assume full responsibility for all education, including pre-primary education."

Even though many children live with their parents, they are being effectively raised by their school teachers and the television media. They are taught by both in subtle ways to disrespect parental authority and look upon the traditions of the past as backward.

Brock Chisholm (1959 Humanist of the Year) was at one time head of the World Health Organization, and in the February 1946 issue of *PSYCHIATRY* he wrote, "To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition national patriotism, and religious dogmas....We have swallowed all manner of poisonous certainties fed us by our parents, our Sunday and day school teachers, our politicians, our priests....The reinterpretation and eventual eradication of the concept of right and wrong which has been the basis of child training, the substitution of intelligent and rational thinking for faith in the certainties of old people, these are the belated objectives...for charting the changes in human behavior."

Never in the history of the world has the experience of being a child been so fraught with danger and stress. If a child survives its prenatal stage without being aborted, it could possibly face a fatherless childhood, living on welfare in an urban environment with drugs and violence. If the child is raised by both parents at home, both parents might be required to work out of economic necessity and the child would spend its early,

Degeneracy in the Arts and Entertainment

All one has to do these days is turn on the television to see the cesspool that is loosely called "Entertainment." The movies and the stage are no better. Everything is contaminated with the stench of "Raunch! Sex! Violence! Pornography! And Propaganda! A typical example is Jerry Springer (Jew), shown below. The Entertainment industry is ALL Jewish, including the actors.

Here are a few more of the Communist Goals, as listed in the January 10, 1963 Congressional Record of the United States, concerning Degeneracy in the Arts and Entertainment.

22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to 'eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms.'

23. Control art critics and directors of art museums. Our plan is to promote ugliness, repulsive, meaningless art.

24. Eliminate all laws governing obscenity by call them 'censorship' and a violation of free speech and free press.

25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.

26. Present homosexuality, degeneracy and promiscuity, as 'normal, natural, healthy (alternative) lifestyles.'

Media Control

Jews Confirm Big Media Is Jewish

By Rev. Ted Pike, 28 Jun 06

Jewish control of the media is a taboo topic. In Congress, among evangelicals and mainline conservative talk radio, it is never mentioned. It is discussed only in snatches on far Right alternative talk radio.

This is astonishing, considering that almost every substantial library in America contains a number of books confirming such Jewish control. These include Neil Gabler's *An*

Empire of Their Own: How the Jews Invented Hollywood and Hoberman and Shandler's *Entertaining America: Jews, Movies, and Broadcasting*.

These encyclopedic histories of Jewish control of the American media outdo any efforts by so-called "anti-Semites" to document an astonishing, frightening fact: The majority of media news and information to the American public comes from Jews.

An authoritative Jewish website, "Judaism Online," (www.simpletoremember.com) in its article, "Jewish Success in the American Media," documents Jewish media preeminence. It does so not from motives of anti-Semitism, but from Jewish pride. Its 2002 list of many Jewish superstars in the media today is printed, in part, below.

Of course, there are more Gentiles than Jews in the America media, as in America at large. But notice how many Jews are in control of media giants. This helps explain why the Jewish media is so relentlessly anti-Christian, constantly pushing immorality and the liberal, Zionist political agenda.

Why are Christians always marginalized in films and TV? Why is the Palestinian perspective not included in the news? Face the forbidden truth: the media speaks with a Jewish voice.

Ted Pike comments: Judaism Online's list presents only the most outstanding, well-recognized Jews in the American media. I could name hundreds more from the top ranks of Jewish media leadership. Such names are readily available from corporate directories such as Standard and Poor's and Lexis Nexus.

Yes, some of the Jewish superstars listed above are political conservatives. Yet studies of top-level Jewish media executives prove they are overwhelming liberal. The famous Lichter-Rothman poll in the early 1980s found that top media executives were radically out of step with the moral values of the American public.

97% affirm a woman's right to an abortion if she pleases. 80% disagree that homosexuality is wrong. 86% believe homosexuals have the right to be schoolteachers. 51% believe adultery is permissible. Of 104 top executives polled, 59% were "raised in the Jewish religion."

Does it matter who dominates the media? It does! The media shapes not only our children's values and actions but our own. The Jewish media has normalized sexual degeneracy, profanity and all kinds of sin. It also leads us into war to make the Mid-East safe for Israel. This happened in Afghanistan, Iraq and, tomorrow, Iran.

If an anti-Christian agenda were being advanced by Moonies or Scientologists, dominating the most powerful positions of media leadership in America, there would be a howl of protest. Americans would demand Congressional hearings and investigations. But because the Jewish media has forbidden identification of itself as Jewish, vilifying such as anti-Semitism, a deafening silence prevails. Meanwhile, relentless evil continues to control the spigot of information from which America drinks.

Population Control

The New World Order/Illuminati/Jewish Zionist cabal claims that the earth is over-populated and that the population must be reduced by whatever means necessary. These means include:

- * **Birth control** – pills (contributing to breast and uterine cancer), Intrauterine devices (causing serious damage to the uterus, sometimes resulting in hysterectomy and the inability to have children)
- * **Abortion** – including partial-birth abortion, which is nothing less than murder!
- * **Infanticide** – declaring that a baby is not a human being until it is 30 days old, and thus can be killed anytime up until 30 days after it is born.
- * **Euthanasia** - killing of the elderly, the terminally ill, and the mentally ill
- * **Promotion of homosexuality** – homosexuals don't have children (except in rare instances by artificial insemination of women)
- * **Disease pandemics**, such as AIDS, SARS, "Bird Flu", Small pox, Anthrax, etc. purposely designed in government laboratories.
- * **Vaccinations** – to purposely infect the population with these deadly diseases.

Vaccinations are neither safe or effective. They do NOT prevent disease – they CAUSE disease - - and DEATH from the mercury and other poisons they contain. (See *Vaccines: Are they Safe and Effective* by Neil Miller)

* **Famines by design** – deliberately contrived by the government: terminator seeds, grocery store cards – FMOs (Food Management Organizations) like HMOs are coming soon, at which time you will ONLY be allowed to buy food at certain stores, and eat at certain restaurants designated by your employer, just as your employer now designates what type of medical insurance you can have.

* **Hospice** – to make **sure** the terminally ill actually die! Hospice is **not** about getting people well! If you are in hospice, NO measures will be used to keep you alive except regular food. And even that can be withheld as it was in the case of Terri Schiavo.

* **Weather Modification/Control** – deliberate production earthquakes, tsunamis, and droughts and floods in food-growing areas by scalar waves – technology developed in the early 1900s by genius inventor Nikola Tesla. (See article on Weather Control at the end of this Study.

* **Drug medications** that kill – Deadly Chemotherapy and radiation prescribed by doctors for cancer. **All drugs** have harmful side-effects that adversely affect the brain's ability to make sound judgments. They also destroy the immune system making the individual more susceptible to disease.

* **Wars** – all over the world. Killing of our U.S. troops by vaccinations, depleted uranium, and by the war itself.

* **Fluoridation of water, toothpaste**, (mass medication of the public) and fluoride compounds in medications. Fluoride is a poison. It is a by-product of aluminum production and is being disposed of cheaply by its addition to the water supply. The public is being deceived by the lie that it reduces dental cavities. It causes lethargy, brain dysfunction, brittle bones, premature aging of the skin and all organs and contributes to a decreased sperm count in males, thus causing **male infertility**.

* **Street Drugs** – The government, via the CIA, brings in street drugs from Asia and South America. Then the mafia distributes them to be sold to the youth of America to purposely addict them by the hundreds of thousands. The mafia takes their “cut” of the profits and passes the rest along to the CIA which uses the money to fund covert wars in Central and South America and in other places in the world, wars that would in NO way be funded by our legitimate Congressmen and Senators.

* **Escalation of “Routine” Diseases** – heart disease, stroke, cancer, Parkinson's, etc. by promotion of **Fast food, aspartame (NutraSweet), MSG**, and other harmful substances in food. This leads to heart disease, cancer of many types, brain tumors, blindness, and many other serious diseases.

These are just **some** of the ways that the American government is, right now, purposely killing Americans. It is a fact that throughout history, more people have been killed by the **leaders of their own country** than have been killed by war from outside invaders, according to R. J. Rummel, author of *Death By Government*.

In truth, the earth is NOT over-populated. Every person in the world, all 6 billion of them, can fit into the state of Texas, with two to a house on a lot size 25 ft by 100 ft, with enough land in the back yard to grow their own food.

Texas:

Texas land area: 262,015 sq. miles

1 linear mile = 5,280 ft.

1 sq. mile = 5280 x 5280 = 27,878,400 sq. ft. in 1 sq. mile.

27,878,400 sq. ft. in 1 sq. mile x 262,015 sq. miles in Texas =

7,304,608,976,000 sq. ft. in Texas.

1 city lot = 25' x 100' = 2,500 sq. ft.

7,304,608,976,000 sq. ft. divided by 2,500 sq. ft. = 2,921,843,590

2 in a family per lot would accommodate 5,843,687,180 people = almost 6 billion people.

There are approximately 5.8 billion people in the world.

You could fit every family of 2 in a house on a city size lot in the state of Texas.

Of course, this would not allow for streets, parks, or buildings other than houses, but it proves a point - the world is NOT over-populated.

In addition, God said,

“Be fruitful and multiply and fill the earth.” Genesis 1:28

The bottom line is that the elitists want the whole world for themselves.

They want to eliminate the rest of us who they refer to as “useless eaters.” They want to return to what they call a “Post-Industrial Society” the type of society that existed before the Industrial Revolution. According to them, the middle class must be eliminated to leave only two classes: the Rich - - - and the slaves.

The Destruction of the U.S. Military

The leaders of the world claim that they want peace. But how is “peace” defined?

Joseph Stalin (Jew) stated that after Communism succeeds, “...then, there will come a peace across the earth.” **Karl Marx** (Jew) said, “...the meaning of peace is the absence of opposition to Socialism (Communism).”

God (who is NOT Jewish) said, “...they have seduced My people, saying PEACE; and there was NO PEACE.” Ezekiel 13;10

The Bible says, “For when they shall say, ‘PEACE and SAFETY’, then sudden destruction comes upon them, as travail upon a woman with child; and they shall not escape.” 1 Thess 5:3

There is a well-organized plan to destroy the U.S. Military. Why? Because the New World Order’s goal is the disarmament of every nation in the world, so only the United Nations will have implements of war and no nation will be able to defend itself.

The Bible, in Revelation, Chapter 13, reveals that the Beast power (the One World Government) will be worshipped by the whole world – which will eventually be **totally disarmed**.

“And they worshipped the dragon (Satan) that gave authority unto the Beast: and they worshipped the Beast, saying, ‘Who is like the Beast? **Who is able to make war with him?**’” Revelation 13:4

The answer to that question will be, “NO ONE” - because the Beast power will have disarmed every country AND every individual in the world, so every nation and every individual will be completely defenseless!

Then **no one** will have **anyone** to depend on **except the Lord!**

In the book “*Report From Iron Mountain On the Possibility and Desirability of Peace*” the shocking revelation is made that the New World Order has planned for decades the disarmament of the whole world. A select and very secret committee was appointed to solve the problem of how to control society when there was no longer the possibility of the threat of war from an outside invading nation.

The elitists admit that the threat of war from outside the nation has been used for centuries to keep the population under control, to make the people willing to give up their rights (for the “security” of the nation!), and to make billions of dollars for the defense contractors to produce and stockpile weapons for the “possibility” of war.

The *Report from Iron Mountain* continues:

“The Nature of War: War is NOT, as is widely assumed primarily an instrument of policy utilized by nations to extend or defend their expressed political values or their economic interests. On the contrary, it is itself the principal basis of organization on which all modern societies are constructed. The common proximate cause of war is the apparent interference of one nation with the aspirations of another. But at the root of all ostensible differences of national interest lie the dynamic requirements of the war system itself for periodic armed conflict. Readiness for war characterizes contemporary social systems more broadly than their economic and political structures, which it subsumes.

“Economic analyses of the anticipated problems of transition to peace have not recognized the broad pre-eminence of war in the definition of social systems. The same is true, with rare and only partial exceptions of model disarmament scenarios...It will require the construction of a detailed and feasible system of substitutes for those functions (of war) that are necessary to the stability and survival of human societies.” Report from Iron Mountain, p 79,80

The committee that met at Iron Mountain detailed the functions of war in all societies. According to the elitists, they are the following:

1. **Economic.** War has provided both ancient and modern societies with a dependable system for stabilizing and controlling national economies. No alternate method of control has yet been tested in a complex modern economy that has shown itself remotely comparable in scope or effectiveness.
2. **Political.** The permanent possibility of war is the foundation for stable government; it supplies the basis for general acceptance of political authority. It has enabled societies to maintain necessary class distinctions, and it has ensured the subordination of the citizen to the state, by virtue of the residual war powers inherent in the concept of nationhood. No modern political ruling group has successfully controlled its constituency after failing to sustain the continuing credibility of an external threat of war.
3. **Sociological.** War, through the medium of military institutions, has uniquely served societies, throughout the course of known history, as an indispensable controller of dangerous social dissidence and destructive antisocial tendencies. As the most formidable of threats to life itself, and as the only one susceptible to mitigation by social organization alone, it has played another equally fundamental role: the war system has provided the machinery through which the motivational forces governing human behavior have been translated into binding social allegiance. It has thus ensured the degree of social cohesion necessary to the viability of nations. No other institution, or groups of institutions, in modern societies, has successfully served these functions.

4. **Ecological.** War has been the principal evolutionary device for maintaining a satisfactory ecological balance between gross human population and supplies available for its survival. It is unique to the human species.

5. **Cultural and Scientific.** War-orientation has determined the basic standards of value in the creative arts, and has provided the fundamental motivational source of scientific and technological progress. The concepts that the arts express values independent of their own forms and that the successful pursuit of knowledge has intrinsic social value have long been accepted in modern societies; the development of the arts and sciences during this period has been corollary to the parallel development of weaponry.” *Report from Iron Mountain, p 80-82*

Review on “Report From Iron Mountain”

“In 1967 the war in Vietnam was escalating and race riots were breaking out in many major U.S. cities. Popular distrust of the federal government was growing. It was in this context that on October 16 a book appeared titled *Report From Iron Mountain on the Possibility and Desirability of Peace*. It was published by Dial Press, a division of Simon & Schuster.

Leonard C. Lewin, a New York freelance writer, wrote the introduction to the book. He explained that the report had been compiled by 15 experts known as the Special Study Group (SSG) who had been brought together by the U.S. government. The SSG had first met in 1963 at a secret "underground nuclear hideout" called Iron Mountain. They had then held periodic meetings during the next two and a half years to discuss the problems that would confront the United States if it entered into a period of permanent peace. According to Lewin, one of the experts ("John Doe") who was identified as a professor of social science at a 'large Middle Western University,' had decided to release the report to the public.

The report, in language full of think-tank jargon, documented the conclusions of the Special Study Group concerning whether peace was possible, given the economic condition of the world. The SSG decided that peace "would almost certainly not be in the best interest of stable society." War, they argued, was simply too important a part of the world economy, and therefore it was necessary to continue a state of war indefinitely:

"War has provided both ancient and modern societies with a dependable system for stabilizing and controlling national economies. No alternate method of control has yet been tested in a complex modern economy that has shown itself remotely comparable in scope or effectiveness."

The report also pointed out that the authority of the government over the people stemmed from its ability to wage war. Therefore, without war the government might cease to exist:

"War' is virtually synonymous with nationhood. The elimination of war implies the inevitable elimination of national sovereignty and the traditional nation-state."

The report included a number of recommendations that the government should follow just in case peace did break out. For instance, it suggested that a number of expensive institutions be created that would mimic the economic function of a war, such as: "(a) A comprehensive social-welfare program, directed toward maximum improvement of general conditions of human life. (b) A giant open-end space research program, aimed at unreachable targets. (c) A permanent, ritualized, ultra-elaborate disarmament inspection system, and variant of such a system."

The report also recommended that the government invent "alternate enemies." For instance, it could mobilize the population by scaring them with reports of extraterrestrial threats, massive global environmental pollution, or "an omnipresent, virtually omnipotent international police force." Alternatively, the population could be roused by "socially oriented blood games" done "in the manner of the Spanish Inquisition and the witch trials of other periods."

The publication of the report caused a sensation. So many copies of it were sold that it made its way onto the New York Times bestseller list, and it was eventually translated into 15 languages.

The report caused panic among many government officials. President Johnson supposedly "hit the roof" when he learned of it. Cables were sent to U.S. embassies throughout the world instructing them to play down public discussion of the report, and to emphasize that the report had nothing at all to do with official U.S. policy." There are FALSE claims that the book is a hoax.

One of the potential solutions for control of the citizens when there is no more threat of war is - environmentalism! The deception will be perpetrated that "the people" are a threat to the preservation of the earth. There are "too many people" according to the elitists. "The people" – the "useless eaters" as we are called - consume too much of the earth's natural resources. "The people" must be eliminated – at least MOST of them. If the majority of the population is not annihilated, everyone will starve to death, or so they say.

And of course, the genocide will NOT begin with the elimination of the rich and powerful. In fact, the genocide of the rank and file population has already started as documented above.

The U.S. Military is already in the process of being destroyed

Some of the major ways that the destruction of the U.S. Military is being accomplished are the following:

Homosexuality: The admission of homosexuals into the military is causing morale problems.

Women in combat positions. Women in the military are being raped in significant numbers and the military “brass” often ignore these reports. In addition, if the woman reports the assault she will frequently be attacked again.

Poor – or NO – care for injured servicemen and women for physical as well as mental problems.

Inadequate armor, equipment and protective clothing

Unreasonable extensions of tours of duty

Orders to perform torture.

The World is run from England – from the City of London – by the Jews!

As noted above, England has been in the hands of the Jews for over 400 years. The British Empire has been – and now is - under Jewish control. The various countries of the British Empire were supposedly given their independence, but this too is a hoax. Each country is ruled from behind the scenes by a British “Governor” but these countries’ supposed independence gives Britain about 40 votes in the U.N. compared to ONE by the United States.

Within the city of London, there is a one-mile square area that is referred to by the elitists as “The City.” This is the headquarters of the Rothschilds – the Jewish family dynasty that rules the world.

Even the monarchs of Europe (who are virtually ALL Jewish – including the Royal family of Great Britain), bow to the Rothschilds when entering “The City.”

International Jewry, including the Rothschilds, mock God, Jesus Christ. and the Bible. The holiest book of Judaism is NOT the Old Testament, it is the Talmud, a series of books written by Jewish Rabbis and Sages that turns the Bible upside down.

England is a Pagan nation. In 1984 that country issued a stamp showing a harlot sitting on the New World Order beast. See Revelation 17:1-5. Many believe that the beast power is the Catholic Church, and indeed, the Catholic Church is a “part” of the beast power (because the Jews have infiltrated and taken over the Catholic Church).

But there is only ONE group that fits ALL the characteristics of the First Beast Power of Revelation 13, and that is Jewish Zionism – those who plan to rule the entire world – the

Jewish Rothschilds and their Jewish cabal, a group that owns the Money Supply of EVERY nation on earth.

The Second Beast of Revelation 13 is Worldwide Christianity (it “looks like a Lamb” - Jesus Christ - but speaks as a dragon – Satan). The majority of these “Christian” denominations already have gone into abject apostasy and many – especially the dispensationalists (“Christian” Zionists) who believe that the “Jews” are God’s “chosen people,” have already joined with the First Beast Power (Jewish Zionism) as the Bible predicts. These include John Hagee, Pat Robertson, the deceased Jerry Falwell, Chuck Colson, Kenneth Copeland, Joyce Meyer, and many, many others.

It won’t be long before the main-stream Protestant churches, who are seeing their congregations shrinking, will join the evangelical, emotion-ridden, charismatic, ecstatic, church-growth movement that is sweeping the country. (For more on the Organized Church, see www.goodnewsaboutgod.com)

The Bible predicts that this Beast Power/One World Government WILL rule the world in the last days before Jesus returns and that they will persecute the True Believers in Jesus Christ and many of them will be martyred.

The Lord also tells us to WATCH for the signs of the times. Jesus gave the Parable of the Ten Virgins to emphasize the fact that many would **not** be ready at the Second Coming of Christ. And he rebuked the ignorance of the Pharisees and the scribes, saying

When it is evening, ye say, It will be fair weather: for the sky is red.

And in the morning, It will be foul weather today: for the sky is red

And lowering. O ye hypocrites, ye can discern the face of the sky: but can ye not discern the signs of the times? Matthew 16:2,3

Without understanding the events of the End Times now happening on the earth, it will be impossible to understand the nearness of Jesus’ return, and the majority of “Christians” will be no wiser than the Pharisees rebuked by the Lord for their arrogance and ignorance.

Jesus has told us to “Watch! And be ready!”

Only when we understand present-day events, can we properly interpret the book of Revelation and the interaction of the two Beast Powers of Revelation 13: Jewish Zionism and Christian Zionism.

World Government Under the U.N.

U.S. President George H.W. Bush said the following:

“It is the SACRED principles enshrined in the UN Charter to which we will henceforth pledge our allegiance.” UN Building. February 1, 1992

Dr. Kurk E. Koch, Professor, has lectured at 100 universities in 65 countries on 5 continents. His subjects of expertise: New World Order, Occultism, Parapsychology. His assessment of the coming NOW under the United Nations is:

“The system will be made up of a single currency, single centrally financed government, single tax system, single language, single political system, single world court of justice, single head (one individual leader), **single state religion.**”

He further states:

“Each person will have a registered number, without which he will not be allowed to buy or sell: and there will be one universal world church. **Anyone who refuses to take part in this universal system will have no right to exist.**

The Final Question is:

Is there still ANYONE who does NOT believe there is a “New World Order/One World Government” Coming?

THE WOMAN ON THE BEAST

In 1984 England issued this stamp showing a harlot sitting on the New World Order beast. See Revelation 17:1-5. Notice the seven waves or hills under the beast. Revelation 17:9: "The seven heads are seven mountains, on which the woman [church] sitteth." The City of Seven Hills is Rome. Pope John Paul II "insists that men have no reliable hope of creating a viable geopolitical system unless it is on the basis [Canon Law] of Roman Catholic Christianity." Malachi Martin, S.J., *The Keys of This Blood*, 1990, p. 492.

Revelation 17:3-5: "So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns. And the woman was arrayed in purple and scarlet colour, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornication: And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH."

What organization arrays itself in purple and scarlet and decks its churches in gold, precious stones, and pearls? The Roman Catholic Church with the Pope as its leader. All nations and denominations are now gathering around and giving homage to their mother, the Papacy. "The observance of Sunday by the Protestants is an homage they pay, in spite of themselves, to the authority of the [Catholic] Church." Monsignor Louis Segur, *Plain Talk About the Protestantism of Today*, p. 213. Robert Schuller of the Crystal Cathedral in California said, "It is time for the Protestants to go to the shepherd [the Pope] and say, 'What do we have to do to come home?'" *Los Angeles Herald Examiner*, Sept. 19, 1987.

**The Merging of the United States with
Canada and Mexico
It's Happening Right Now!**

Lorraine Day, M.D.

Every American is aware of the problem of illegal immigration, especially in California. Hundreds of thousands of illegal immigrants are flooding across the Mexican border into California and other states in the U.S. Southwest. This has caused enormous political and economic problems for the Southwestern United States and resulted in confusion, exasperation and, sometimes, violence on the part of U.S. property owners in the areas where illegal squatters are vandalizing and “trashing” private property.

U.S. citizens in the Southwestern States are frantically urging their Congressmen and Senators - and the President - to “Do Something!” to stop this destructive “flood.”

The President responds that he **will** do something, yet NOTHING is done!

Why?

BECAUSE: Massive illegal immigration is the PLAN of the New World Order of which President George W. Bush is an integral part!

Why would ?good? Americans want to destroy America? Because the President, his cabinet, and those who control his policy and his actions have a much different agenda from what they reveal to the public. Those who control the President are: Under Secretary of Defense, Paul Wolfowitz and his underling, Douglas Feith (both of whom decide the policy that their puppet, Secretary of Defense Donald Rumsfeld puts into action), Advisor to the Pentagon, Richard Perle, and Bill Kristol, kingmaker and son of Irving Kristol, a Trotskyite Communist, who was for years, before his death, a major player in the Communist party in America. (High Priests of War by Michael Collins Piper, published by American Free Press)

These four are referred to by the press as ?Neo-Conservatives? or ?Neo-Cons,? for short, when in fact they are hard-core Zionist Communist Trotskyites dressed up in ?new Republican clothes.? Ibid. Their allegiance is NOT to the United States. Their allegiance is to Israel and to a One World Government that Israel will eventually (sooner, rather than later) control. (See A Jewish Utopia by Michael Higger). As all communists are atheists, their plan is to eliminate God and Jesus Christ from society and to build a religion that worships ?Man.?

So, where is the evidence for this merger?

On July 8, 2001, the following article appeared in the Book Review section of the **New York Times**: The Merger: A journalist explores the marriage of Canada, the U.S. and Mexico. A book entitled, A Biography of the New American Continent, written by Anthony DePalma was being reviewed. “We know North America exists,” the author tells us, “but we do not know North America.” According to DePalma, “technically, North America encompasses the entire land mass from tropical Panama and Trinidad to the Canadian and Alaskan Arctic.” The book goes on to explore the merging of these three

countries into one.

A **Homeland Security** Press Release, April 23, 2003, applauded a “Border Partnership” agreement signed by Santiago Creel, Mexico’s Secretary of Governance, and Colin Powell, U.S. Secretary of State. This agreement was endorsed by President George W. Bush and President Vicente Fox when they met in Monterrey, Mexico on March 22, 2002 and was accompanied by a 22-point plan that outlined specific actions that would be taken to create a “smart” border for the 21st century, one that involves a **joining of the countries** in areas of energy, telecommunications, transportation, dams, public health, and agriculture.

This Homeland Security press release states that this accord has made “significant progress in strengthening border security measures in both our countries,” **when in fact it has done just the opposite!**

The new appointee for Attorney General, to replace John Ashcroft, is none other than Alberto Gonzales, the Bush advisor who helped write the draconian, human rights-suppressive Patriot Act, who has supported the use of torture by our troops in Iraq and in Guantanamo Bay, Cuba, and who calls the Geneva Conventions for human rights of prisoners, “Quaint”! Alberto Gonzales is also a member of **LaRaza, a notoriously militant group that plans a take-over of the Southwestern United States by Mexico.** (See www.villagevoice.com/issues/0448/hentoff.php)

An astonishing event was recorded on November 27, 2004, when a person in Laguna Hills, California (NOT a predominantly Latino community) received a notice of a parking violation. The California-produced parking ticket had as its **FIRST language - Spanish!** English was the **SECOND** language! (www.rense.com/general160ticket.htm)

It is clear that the merger of the U.S. and Mexico is well on its way.

To the North, the merger of Canada with the U.S. is progressing rapidly. In November, 2004, President George W. Bush spoke publicly of combining the military of Canada and the United States. In fact, the actual “Annexation of Canada” by the U.S. has been discussed. (www.globalresearch.ca/articles/CHO411C.html)

On September 6, 2004, the Alberta provincial government released a report promoting massive government infrastructure spending to facilitate exploitation of the oil sands north of Edmonton. The following day, U.S. and Canadian mass media ran features endorsing the essence of the report. The national daily USA Today longingly headlined their article: “Canada drips with oil!” The USA Today article continued, “With oil prices bounding to nearly \$50 a barrel this summer, both the Bush and Kerry campaigns have been talking up the Canadian option. Both extol a U.S. energy policy that draws more supply from friendly, familiar Canada and less from the volatile Middle East.”

In fact, the direct investment under U.S. control in the Alberta tar sands alone is ?equivalent to the combined spending of American companies in China over the past 25

years, according to USA Today. It is clear that the U.S. multinationals are moving to seize and loot fabulous new deposits in Alberta's oil sands, richer than Saudi Arabia, and make Canadians subsidize the theft," writes K. C. Adams in Discovery Magazine.

"Re-zoning the World: The Merging of the Americas in a New Global Order" is the title of an October 5, 2003 article by Carl Teichrib, a highly respected freelance researcher and authoritative write on issues pertaining to globalization. He writes:

"One of the first major political events that President Bush was involved in when he took office was the Summit of the Americas, which was held in Quebec City, April 20-22, 2001. It was a noted occasion; America's newest president was swinging into action with one of his main campaign platforms - an expanded trade program which would revitalize America's slumping economy.

"Ironically, this 'vigorously pursued' economic agenda is not the brainchild of the current administration. Bush's push for hemispherical free trade was first expounded by his father, Bush Sr., who announced the Enterprise of the Americas Initiative on June 27, 1990. **Moreover, this trans-continental restructuring agenda was not placed into high gear by a Republican, but by a Democrat - President Bill Clinton.** (There's NO difference between the Republicans and Democrats. Their ultimate agenda is the same - A One World Government!)

"In December, 1994, at a meeting in Miami, Florida, the Clinton administration launched a program of **continental 'economic integration,'** which was put in motion after 'the leaders of 34 countries in the Western Hemisphere pledged... to form a Free Trade Area of the Americas (FTAA).

"At that time, it was agreed that the **deadline for the completion of FTAA negotiations was to be January 2005, with the FTAA coming into force by December of that year...** Moreover, Brazil and the United States - the two largest economies in each of their respective continents - are acting as co-chairs for this **fast closing FTAA process...**"

Americans must wake up and understand that this is the transformation of the World from individual countries into a Global New World Order of Ten Kingdoms, each with an appointed Governor, with the elimination of all national sovereignty, constitutions and national rights, with total control by a global government, ultimately controlled from the shadows by the Zionists.

When the U.S., Canada and Mexico are soon merged, the U.S. will become a third world nation like Mexico, plus it will inherit the oppressive human rights tribunals of Canada, tribunals where secret evidence is used against the victim, where arrest and imprisonment without a charge is allowed, and where "**Truth is NO defense!**"

This is coming to America Right Now! And there is NOTHING you can do to stop it. It has been the PLAN of the Illuminati, the architects of the draconian One World

Government, of which George Bush AND John Kerry (through their membership in the Skull and Bones) are members, as well as the Trotskyite “Neo-Cons” mentioned above, in addition to the following Zionists: the Rothschilds, Edgar Bronfman, Director of the World Jewish Congress and Rupert Murdoch, owner of Christian Broadcasting Network and numerous other media. These are the Jewish Zionists who are whole-heartedly supported by the “Christian” Zionists, particularly the Evangelical “Christians” who support the war against Iraq, (and soon) the war against Iran and every other Middle Eastern country that Israel would like to overtake.

Revelation 13:1 speaks of a terrible Beast that will rule the whole world. (The One World Government) The Beast has ten horns and ten crowns and it blasphemes God. The “ten horns are ten kings” who receive their kingdom from the beast, who receives its authority from the dragon - Satan. (Rev. 17:12; 13:2) The Beast is ridden by the Harlot, the One World Religion - which is synonymous with the second Beast of Revelation 13: 11-18. The One World Government Beast (Jewish Zionism) and its One World Religion Harlot rider (Christian Zionism - It “looks like a Lamb” - it appears to follow Jesus Christ - but it “speaks like a DRAGON” - Satan! - Rev 13:11) make war against the small group of true followers of Christ. (Rev 13:7,15)

These are the Ten Kings of the Ten Kingdoms **on the map, found at the end of this article**, put together by the New World Order Illuminati elitists many decades ago, a plan that has been in the works for thousands of years, even as far back as the Illuminati “hero” Nimrod, who tried to build the Tower of Babel, the FIRST attempt at a One World Government.

Notice that when the Ten Kingdoms are finally put together (And they are working on ALL of them right now. The FIRST Kingdom of the Ten is the European Union. It will soon envelop every country of Western Europe. The U.S/Canada/Mexico is the SECOND Kingdom), ALL Ten Kingdoms will be brought together as the “**United Kingdom**,” the new name that the “Old” Great Britain now uses. The Zionist leaders who now rule from London specifically changed the name to **United Kingdom** in anticipation of the eventual ruling of ALL Ten Kingdoms of the earth. These are being assembled rapidly.

But when all Ten Kingdoms are established, they will only rule for “One Hour” (Rev 17:12). One hour in prophetic time is 15 days. A day is a year in prophecy (Numbers 14:34, Ezekiel 4:6). A prophetic year in the Bible is 360 days. One hour is 1/24th of a day. 1/24th of a biblical year (360 days) is 15 days. After those 15 days of rule, the inhabitants of the earth will reap the recompense of what they have sown and death and devastation will be everywhere. The economic, political, medical and social order of the entire world will collapse completely and there will be violence and chaos everywhere. “Plagues, death, mourning and famine” will come to the earth and “it shall be utterly burned with fire.” (Rev 18:8,9)

Then Jesus will come - to take the righteous to heaven!

As you can see, though no one knows the day or the hour, this time is rapidly approaching.

At that time the wicked will be destroyed and the earth will lay desolate for a thousand years until the Great White Throne judgment. (Rev 20:5-7; 2 Peter 3:10,11)

It's time to get to know Jesus very well. Frightening times are fast upon us! But some will still be skeptical.

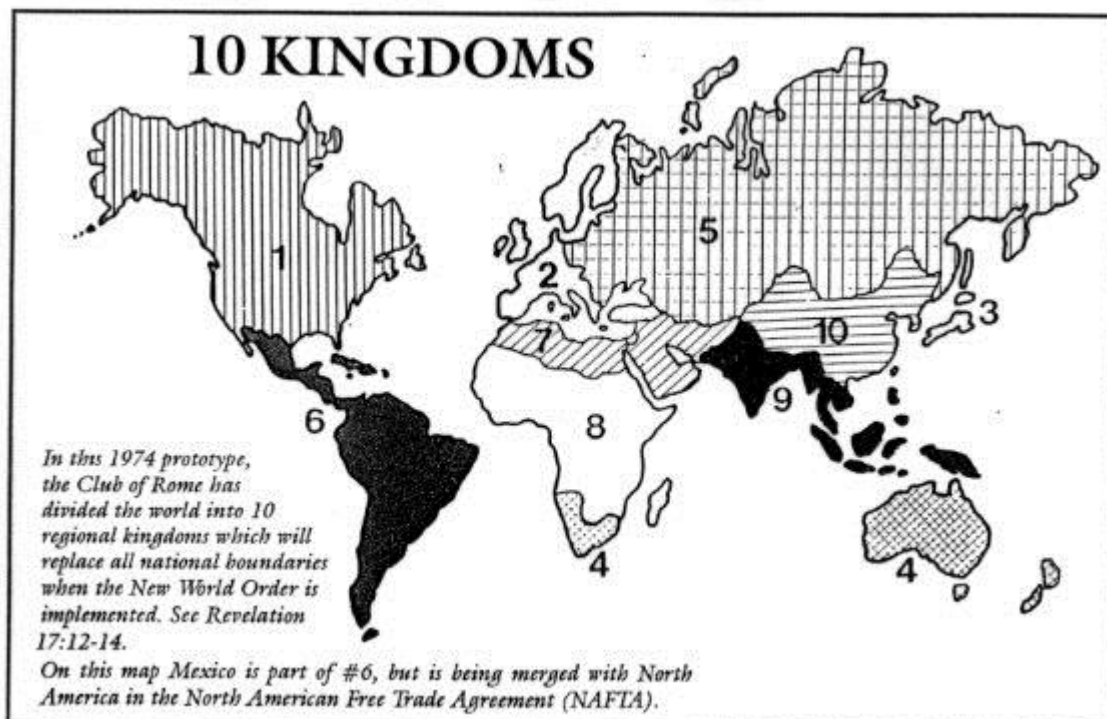

And Jesus answered the Pharisees (the leaders of the organized Church of His day):

"When it is evening, you say, 'It will be fair weather: for the sky is red. And in the morning, 'It will be foul weather today; for the sky is red and threatening.

"O ye hypocrites, you can discern the face of the sky; but you cannot discern the signs of the times!" (Matthew 16:2,3)

UNA Amero Pattern Coins >

A currency union, similar to the European Union "Euro" has been proposed for North America. The name of the new currency is the "Amero". The Wikipedia encyclopedia article has additional details about the "Amero". This has been the source for many conspiracy theories tied in with other proposals such as the "Canadian Dollar".

These private-issue fantasy pattern coins will be struck as an annual series (until such time as it is no longer legal to do so), starting in the latter part of 2007.

Some pieces are available for immediate delivery (see below). Others are currently offered at a pre-issue discount (see below). Prices are subject to change. The delivery date of pre-sale items is expected to be completed by early October, 2007.

Final mintages will be determined by sales. The 2007 issues will be available for order until no later than December 31, 2007, and none will ever be minted or available after that.

The 2007 designs feature various Seated Liberty obverses and a similar Eagle & Globe reverse (except for the Jamestown 400th Anniversary commemorative issue which features Pocahontas).

Eric McCre's "Micro-National & Fantasy Coin Lists" includes considerable additional information.

HAVE THEY REACHED THEIR GOALS? (Check it out below.)

COMMUNIST RULES FOR REVOLUTION (Captured at Dusseldorf in May 1919 by Allied Forces)

1. Corrupt the young; get them away from religion. Get them interested in sex. Make them superficial; destroy their ruggedness.
2. By specious argument cause the breakdown of the old moral virtues: honesty, sobriety, continence, faith in the pledged word, ruggedness.
3. Encourage civil disorders and foster a lenient and soft attitude on the part of government toward such disorders. (L.A. riots were just a coincidence?!.....Of course!)
4. Divide the people into hostile groups by constantly harping on controversial matters of no importance. (Racial differences?)
5. Get people's minds off their government by focusing their attention on athletics, sexy books, plays, and other trivialities.
6. Get control of all means of publicity. (Media)
7. Destroy the people's faith in their natural leaders by holding the latter up to contempt, ridicule and obloquy (disgrace).
8. Cause the registration of all firearms on some pretext, with a view to confiscation and leaving the population helpless.

This is only a partial list. It was secured and stamped with the seal of Florida State Attorney, George A. Broutigam. This material testimony was taken from someone he terms "a known member of the Communist Party". According to this Communist's testimony this strategy is still part of the Communist plan to overthrow free societies such as the United States.

(Can the reader find any of these 8 items that has NOT already been installed in the American system?)

Communist Goals (1963) Documentation below

Congressional Record--Appendix, pp. A34-A35

January 10, 1963

Current Communist Goals

EXTENSION OF REMARKS OF HON. A. S. HERLONG, JR. OF FLORIDA
IN THE HOUSE OF REPRESENTATIVES

Thursday, January 10, 1963

Mr. HERLONG. Mr. Speaker, Mrs. Patricia Nordman of De Land, Fla., is an ardent and articulate opponent of communism, and until recently published the De Land Courier, which she dedicated to the purpose of alerting the public to the dangers of communism

in America.

At Mrs. Nordman's request, I include in the RECORD, under unanimous consent, the following "Current Communist Goals," which she identifies as an excerpt from "The Naked Communist," by Cleon Skousen:

[From "The Naked Communist," by Cleon Skousen]

CURRENT COMMUNIST GOALS

1. U.S. acceptance of coexistence as the only alternative to atomic war.
2. U.S. willingness to capitulate in preference to engaging in atomic war.
3. Develop the illusion that total disarmament [by] the United States would be a demonstration of moral strength.
4. Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.
5. Extension of long-term loans to Russia and Soviet satellites.
6. Provide American aid to all nations regardless of Communist domination.
7. Grant recognition of Red China. Admission of Red China to the U.N.
8. Set up East and West Germany as separate states in spite of Khrushchev's promise in 1955 to settle the German question by free elections under supervision of the U.N.
9. Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long as negotiations are in progress.
10. Allow all Soviet satellites individual representation in the U.N.
11. Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the U.N. as by Moscow. Sometimes these two centers compete with each other as they are now doing in the Congo.)
12. Resist any attempt to outlaw the Communist Party.
13. Do away with all loyalty oaths.
14. Continue giving Russia access to the U.S. Patent Office.
15. Capture one or both of the political parties in the United States.
16. Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.

17. Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.
18. Gain control of all student newspapers.
19. Use student riots to foment public protests against programs or organizations which are under Communist attack.
20. Infiltrate the press. Get control of book-review assignments, editorial writing, policymaking positions.
21. Gain control of key positions in radio, TV, and motion pictures.
22. Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."
23. Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."
24. Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.
25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.
26. Present homosexuality, degeneracy and promiscuity as "normal, natural, healthy."
27. Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity which does not need a "religious crutch."
28. Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state."
29. Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
30. Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."
31. Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the "big picture." Give more emphasis to Russian history since the Communists took over.

32. Support any socialist movement to give centralized control over any part of the culture--education, social agencies, welfare programs, mental health clinics, etc.
33. Eliminate all laws or procedures which interfere with the operation of the Communist apparatus.
34. Eliminate the House Committee on Un-American Activities.
35. Discredit and eventually dismantle the FBI.
36. Infiltrate and gain control of more unions.
37. Infiltrate and gain control of big business.
38. Transfer some of the powers of arrest from the police to social agencies. Treat all behavioral problems as psychiatric disorders which no one but psychiatrists can understand [or treat].
39. Dominate the psychiatric profession and use mental health laws as a means of gaining coercive control over those who oppose Communist goals.
40. Discredit the family as an institution. Encourage promiscuity and easy divorce.
41. Emphasize the need to raise children away from the negative influence of parents. Attribute prejudices, mental blocks and retarding of children to suppressive influence of parents.
42. Create the impression that violence and insurrection are legitimate aspects of the American tradition; that students and special-interest groups should rise up and use ["united force"] to solve economic, political or social problems.
43. Overthrow all colonial governments before native populations are ready for self-government.
44. Internationalize the Panama Canal.
45. Repeal the Connally reservation so the United States cannot prevent the World Court from seizing jurisdiction [over domestic problems. Give the World Court jurisdiction] over nations and individuals alike.

**Can “Man” Control the Weather?
Let's examine what man knows today
about weather control.**

"Nikola Tesla (1856-1943) was born in Croatia. He emigrated to the United States in 1884, worked for a short time for Thomas Edison, and became a naturalized American citizen. A pioneer in high-tension electricity, he made discoveries and inventions of great value to the development of radio transmission and in the field of electricity.

He invented the alternating current (AC) system by which electricity can be transported through wires of thousands of miles, then sent into industrial plants to operate machinery, and into homes to provide light, heat and energy." (Newswatch Magazine, "Earth Hanging in the Balance" Dec. 1, 1998)

There are over 400 patents in the U.S. Patent Office registered to Nikola Tesla.

Tesla also wrote of a method whereby weather could be controlled so that deserts could become farmlands, and where cold could be modified and heat tempered.

"Shortly after the turn of the century, Tesla theorized that by using coordinated radio impulses, it should be possible to manipulate the part of the earth's magnetic field that resides at the edge of space up in the ionosphere by generating giant standing waves. These waves, said Tesla, could then be manipulated to change the course of giant wind patterns, like the jet stream, that shape our weather." (From "The Killer Electric", by Lowell Ponte, published in Gallery magazine, August 1978.)

"Around 1900, Tesla invented and patented a system of utilizing the earth's natural vibrations to transmit power through the earth without wires.

"Tesla's system involved the use of Extremely Low Frequency (ELF) electromagnetic cycles per second. Tesla proved that it is possible to create gigantic standing electromagnetic waves (sometimes thousands of miles long) which can be used to modify the weather and create man-made droughts, floods and storms. Tesla's giant standing electromagnetic waves can also create long-lasting high-pressure areas." (C.B. Baker: July 1982, in Youth Actions News, P.O. Box 312, Alexandria, Virginia 22313)

"At Tesla's death in 1943 some of his papers went to a museum in Belgrade (Yugoslavia). But apparently some found their way to Russia...If indeed the Russians have succeeded in uncovering some of Tesla's lost secrets, the disarmament committees may be in for some real earth-shaking proposals." (Bill Boshears, Cincinnati Enquirer, November 19, 1978)

The May 27, 1983 issue of Don Bell Reports (P.O. Box 2223, Palm Beach, FL 33480) contained detailed information as to how the Soviets are operating to manipulate the weather of the United States.

"Combining secrets gained from Tesla and technological materials and equipment obtained from the United States, The Soviets have constructed giant transmitting stations capable of producing frequencies of 40 megawatts, or 40 million watts. The

highest radio transmission in the U.S. for commercial broadcasting is 50,000 watts. The Voice of America uses 100,000 watts in some of its broadcasts. But this is hardly comparable to the 40 million (40,000,000) watts used by these Soviet transmitters to project their scalar waves." (Newswatch Magazine, Dec 1, 1998)

In 1987-88 America suffered a series of record-setting weather related disasters. Why?

The July 8, 1987 Arizona Republic reported that on July 7, 1987: "For reasons unknown even to weather experts, the temperature at Greensburg, Kansas jumped 20 degrees in ten minutes. In a phenomenon most people will not witness in their lifetime, the city's temperature rose to 95 degrees by 7:40 am from 75 degrees at 7:30 am," said Bill Ellis, an observer for the National Weather Service. "I've never seen anything like it, and I don't know anybody that ever has." He described the change as a 'sudden wave of heat' like you're standing in a cool room, and you open the oven door...Greensburg's temperature dropped to 86 degrees by 8:00 am and to a more normal 77 degrees at 10:30 am."

Greensburg, Kansas appears to have been directly targeted by Soviet scalar weapons, operating in a special 'produce energy' mode. Such a scalar mode is described in Lt. Col. Thomas Bearden's article, "Tesla's Electro-Gravitation, Electromagnetics and Its Soviet Weaponization."

The weather started going crazy. A freak tornado in Moran Junction, Wyoming was described in the August 8, 1987 Washington Post newspaper.

"One of the worst tornado disasters in Canadian history" was how the Edmonton Journal described the July 31, 1987 tornado there that killed twenty-seven people, injured 250 and resulted in \$150 million in property damage. According to the newspaper, "it killed more Albertans than ALL previous tornadoes combined."

On January 18, 1987 Los Alamos, New Mexico received 49 inches of snow from a three-day storm that broke all records.

The July 18, 1987 Washington Post stated that severe rains on July 17 in San Antonio, Texas "were caused by a block of thunderstorms that stalled for three hours as it moved along the Guadalupe River, leaving 11 inches of rain behind by dawn."

"During the summer of 1987, massive lightning-generated forest fires occurred. The September 2, 1987 Washington Times reported that in 2 days alone, "California had 4,954 lightning strikes that resulted in 717 fires," stated John Carter, information officer at the Joint U.S. Forest Service and California Department of Forestry command post. In southern Oregon. Lightning detectors recorded "more than 1,700 lightning strikes within 24 hours," said Denver James of the Forest Service in Portland.

The freak weather all across America has continued to the present, killer heat waves, droughts, record-breaking snow storms, massive earthquakes and the lowest

temperatures on record are now almost becoming common on the news.

Remember El Nino? Think about the name. It means "the boy child" in Spanish (Could it be that this is the Adversary's mocking counterfeit for the real Boy Child, Jesus, who had power over the wind and the waves?)

And look at the acronym of the group appointed by President Clinton to follow the course - and the carnage - of El Nino: The National Oceanic Association ---NOA, as in Noah, the man who survived the flood that destroyed the whole earth.

In 1977, the Trilateral Commission (an organization of the New World Order planning total Global Control) published official paper #13 entitled: "Collaboration with Communist Countries in Managing Global Problems." That official report recommended: "Trilateral/Communist cooperation in nine areas of global concern" including international energy cooperation, international control of oceans and space, Trilateral/Communist cooperation in the areas of weather modification and earthquake control..."

On September 6, 1987, the National Public Radio show, "All Things Considered," carried an interview with Dr. Bernard Eastlund, "a physicist and an expert on oilfield development, who is a consultant for the Atlantic Richfield Oil Company (ARCO)... Dr Eastlund assigned the patent rights on his new invention to APTI, Inc., a Los Angeles subsidiary of Atlantic Richfield." according to the New York Times, August 15, 1987. Dr. Eastlund stated that his new invention could be used to change the weather by redirecting the very high wind patterns (jet stream).

These scalar waves can also be directed to specific areas and to specific depths to cause earthquakes by disrupting the tectonic plates.

Dr. Eastlund's invention has been incorporated into a mammoth U.S. government project titled "The High Frequency Active Auroral Research Program" (HAARP). The December 15, 1991 Alaska Daily News carried a big article on HAARP: "Electrical energy floats high over Alaska, where it is visible as the aurora borealis, a shimmering white, green and crimson curtain. These brilliant northern lights are, in fact, the product of a huge natural generator that produces up to 10 million megawatts of power as particles from the solar wind crash into the earth's magnetic field...There are concentrated currents, called electrojets, that flow in the ionosphere, and may sometimes reach millions of amperes. When the electrojet touches earth, as it sometimes does during magnetic storms, it can knock out telephone cables and power grids."

The newspaper reported that researchers from the University of Alaska, UCLA, and Penn State all engaged in pre-HAARP work: "The scientists had achieved some promising results by beaming energy into the ionosphere to create extremely low frequency (ELF) waves that can travel long distances and to great depths. " (A perfect way to create an earthquake wherever one wishes!")

The June 21, 1977 New York Times reported that the U.S. shipped a 40 ton magnet (the largest in the world at that time) and a team of American scientists to the Soviet Union. That 40 ton device could generate a magnetic field 250,000 times greater than that of the earth. The purpose of that shipment was to build a more efficient Magneto-Hydro-Dynamic (MHD) power generator to help the Russians repeatedly override, blank out, and interfere with the earth's natural magnetic field.

Within a short time after the start of U.S. and Soviet through-the-earth transmissions, this planet's internal dynamo was affected. The December 13, 1984 Washington Post reported that the earth had experienced a sudden unexpected slowdown in rotation.

Scientists at the U.S. Naval Observatory and at the Jet Propulsion Lab found that the "earth, like an unbalanced washing machine," has developed "wobbles as it spins" (July 15, 1988 Wall Street Journal).

We are heading for disaster, just as it is prophesied in Revelation. But WE ARE GOING TO DO IT TO OURSELVES!

Just as those brilliant, ungodly, evil, genius minds brought the flood on themselves by, most probably, the same mechanism that is occurring today: weather modification with scalar waves that reached down to great depths and disrupted the massive areas of water within the earth and reached high into the atmosphere to disrupt the water canopy that surrounded the earth.

Earthquakes, tornadoes, hurricanes, floods and volcano eruptions can now be brought about in any area in the world where the New World Order wishes to cause death, devastation and economic destruction.

And everyone will blame it on God - - - An "Act of God!"
